**YOU** may live to be 110 and never feel old enough to vote, but it's certain-sure you'll not know the joy and contentment of a friendly old jimmy pipe or a hand rolled

cigarette unless you get on talking-terms with Prince Albert tobacco!

P.A. comes to you with a *real* reason for all the goodness and satisfaction it offers. It is made by a patented process that removes *bite* and *parch*! You can smoke it long and hard without a come-back! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette enjoyment! And that flavor and fragrance and coolness is as good as that sounds. P.A. just answers the universal demand for tobacco without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay out a little change, to be sure, but it's the cheer-fullest investment you ever made!

Woman Cures Horse Colic.

The men were away as usual. The horse was bad. A lone woman could not "drench" in the old way. She called up a neighbor and the men were away—but: "We have Farris Colic Remedy that you drop on the horse's tongue," says Mrs. Neighbor. So she came over and dropped Farris Colic Remedy on the horse's tongue and the horse was well when the men came home. Moral: Get Farris Colic Remedy so the women can cure horse colic.
