

THE ARMY MAN'S BANK

A banking hour in a Y. M. C. A. building of a Southern department camp. The army "Y" is the soldier's financial agent; it takes his savings and deposits them for him in a local city bank; it sells him Thrift stamps; it issues express money orders, and in certain cases keeps money and valuables for him temporarily in the building. The "Y" man in each building is authorized to act as the agent of the express company to issue money orders to the soldiers. The banking service and the Thrift stamp sales encourage the army man to save his money, and this is made more possible by the free comforts, conveniences and entertainments offered by the Y. M. C. A.

ARMISTICE ADDS IMPETUS TO UNITED WAR WORK CAMPAIGN

The United War fund drive which opened with a rousing, though not largely attended meeting at the Auditorium last Saturday night, is progressing very satisfactorily and by tomorrow night the committee should be able to report having the quota, the fifty per cent over-subscription authorized by President Wilson and then some for good measure.

One of the big, bright spots in the campaign is the excellent showing of the Victory Boys and the Victory Girls of Welsh. They are proving their patriotism with a vengeance.

The meeting at the Auditorium Saturday night, though not very largely attended, was full of interest for those present. Lack of early advertising was solely responsible for the small attendance.

Attorney Walter Guion of Napoleonville delivered an address that was full of stirring patriotism.

Alva R. Willgus, musical director, southern department Y. M. C. A. of San Antonio, was present and instructed the audience in music—very pleasantly. Mr. Willgus did not address, al-

though, in the course of the evening's entertainment he did speak a few parables regarding the war.

Though the facts related were as far from pleasant as facts ever got, Capt. Pequegnat's relation of the incidents in his army career, and his description of the battle of Ypres, when the Canadian troops faced the first German gas attack, was vivid. The Capt. was a member of the 4th battalion, 1st division, Canadian army. He had been several times wounded, being sent home to recuperate.

The local soliciting committee includes Messrs. E. C. Willard, R. F. Weichert, F. G. Seward, A. T. Jones, V. R. Romero, S. O. Scoggins, E. H. Boling, W. D. Jones, I. R. Aylesworth, John T. Hood, R. A. Estes, B. J. LaCour, J. W. Armstrong, J. R. Romero, W. M. Colbert, C. F. Jeter. This committee is making a thorough canvass and should be able to make a very handsome report before the campaign closes on Monday.

The response has been very satisfactory so far the committee announce.

CHILDREN'S DIVISION STOCK DIPPING STOPS WILL BE NOV. 27 FOR THE SEASON NOVEMBER 15TH

12,000,000 children under 12 years of age on the North American Continent are outside the touch of the Church and the Gospel.

Children who attend public school spend 800 hours per year in mental development.

Children who attend Sunday school spend 52 hours per year in spiritual development.

"The world can never be made safe for democracy until intelligence and godliness are the common possessions of the whole human race. The state will take care of the intelligence through an efficient system of public schools. The Church must take care of godliness through an equally efficient system of Church schools.

In order that our Sunday school workers with children may be more efficient the Superintendent of the Children's Division of the Parish Sunday School association, Miss Emma Wild is planning for a Children's Division Institute to be held in the Congregational church at Jennings, on Wednesday, Nov. 27th from 10:00 a. m. to 2:30 p. m. with an intermission of one hour at 12 o'clock for lunch and fellowship. All the teachers and all the parents of all the children in all the Sunday schools of the Parish, as well as all the Pastors and Sunday School superintendents are invited to be present. Everyone is asked to bring a host of Sunday School workers, a note book, a box lunch and enough sugar for their own coffee. The coffee will be furnished free at the church.

Miss Wild is planning a splendid program. Such topics as "Graded Lessons," "The Beginners Standard," "The Primary Standard," "The Junior Standard," "The White Gift Service," "The Specialization Course for Children Division Workers," "The Association's Program for Child Life" will be presented and discussed. In addition to the Parish Sunday school workers, Miss Susie E. Juden of the Louisiana Sunday school association will be present.

Everyone reading this article is requested to become a publicity agent in their community in advertising the Institute, by using their telephone, automobile, letter, verbal announce-

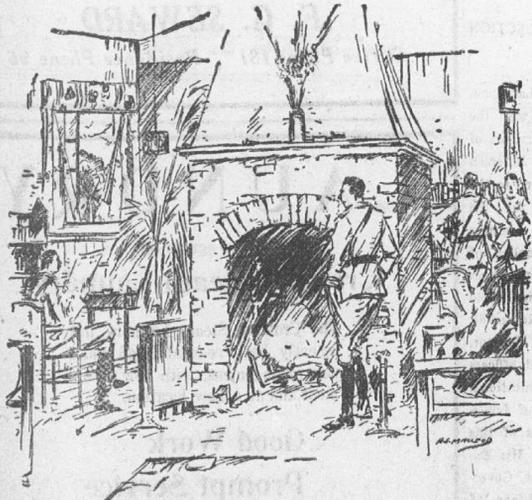

ment and personal calls. It is asked of those who own cars that they gather up a crowd in their neighborhood and bring them into Jennings on the morning of Nov. 27th and thus will every community throughout the Parish be reached and the Religious Training of our Children encouraged.

The slogan for the Institute is, "Come, let us live with our Children."

Coal is \$80 a ton in your boy's village this winter

PERHAPS he is billeted in a barn, or even a hen-coop. There is snow on the ground, and the mud freezes hard to his boots. In all the village there is just one place where he can dry and warm—his hut.

You are thinking about your own coal problem here at home. But what would you do if there was only one place in town where you could find a fire? That's your boy's fuel problem for the coming months. Are you going to keep the hut fires burning?

UNITED WAR WORK CAMPAIGN

Space contributed by the Layne & Bowler Company

UNITED WORK IS NEEDED NOW MORE THAN EVER SAYS BENTLEY

New Orleans, La., November 14.—The impression in some circles that the war is over and that there is no need for further effort by home folk is endangering the success of the United War Work campaign. All authorities agree that the vitally important work carried on by the seven organizations is the more necessary now since the men will not have the stimulus of battle. Urge people to give generously for the men over there who have given us cause for happiness.

L. E. BENTLEY,
Chairman Publicity Committee.
