

THOMAS ELMORE LUCEY POET, AUTHOR, HUMORIST

First Number on the Civic League's Lyceum Course—Wednesday, November 5th.

The lover of pure entertainment finds it hard to imagine as many artistic gifts in one person as Mr. Thos. Lucey possesses.

Mr. Lucey, who by the way is a descendant of Sir Thomas Lucey, famed in the Shakespearean deer-poaching episode of Stratford, has traveled in many lands, and embodies the best things he has seen and heard in his charming entertainments, personating in rapid make-up such celebrities as Twain, Riley, Poe, Lincoln, Pope Leo, Gough, Nye and many others, interspersing all with a charming flow of wit, mimicry and ludicrous fun.

Of him the San Saba (Texas) Star says: "The first performance in the lyceum course was given by the artist, actor and impersonator, Thomas Elmore Lucey. It was dazzling in its versatility. Whether drawing a sketch singing a song, reciting a classic, or impersonating a great or near great, Mr. Lucey showed himself a past master of his art."

Rev. and Mrs. Henry Guidry (colored) former residents of Welsh, now of New Orleans, were here the first of the week paying a visit to relatives and friends.

Mrs. Elizabeth Irons, Mrs. R. S. Greer and Miss Ione Robinson motored to Lake Charles Tuesday where they were the guests of Mrs. W. B. Gabbert.

PARISH CHM. OUTLINES RED CROSS ROLL CALL

Let's Put it Over in a Day, Thursday, November 6th.

The unfinished war work of the American Red Cross, and the progressive peace program that has been mapped out deserves the hearty support and co-operation of all good citizens.

Jefferson Davis Parish Chapter is making a drive for membership only. One dollar (\$1.00) pays for one year. If you are in doubt as to the good work accomplished by the Red Cross ask any returned soldier. The American Legion endorses and will help put this Roll Call "over the top."

The following campaign managers have been appointed for this chapter: Jennings Branch, Lieut. Roy S. Miller.

Welsh Branch, F. G. Seward. Elton Branch, E. S. Hart. Lake Arthur Branch, Mrs. Thos. Ferguson.

It is requested that every minister will give whatever assistance and publicity possible, also all fraternities, clubs and societies will help make this drive a success.

This is a busy time for everyone and we want to make this a short, quick successful campaign. WILL YOU HELP? If so, please offer your assistance to one of the Branch Managers.

Yours for the success of the THIRD RED CROSS ROLL CALL.

JOHN GAMBLE, Parish Chm. Third Roll Call. MISS MARGARET RITCHIE, Secretary and Treasurer.

Henry E. Estorge of Opelousas was here Thursday introducing his candidacy for the office of State Treasurer. He is opposed in the race by Howell Morgan of Baton Rouge.

17b Proteus Brand Ground Coffee and Chicory for 35c is a bargain, at Kimball's.

THE COMMUNITY CENTER IS A VERY LIVE ISSUE

So little has been said about the Community Center during the past few days that some may have thought the project abandoned. This however would be the farthest from the correct interpretation, as is evidenced by late developments at the Masonic Hall, where Thursday contractor L. A. Giggard and son were busily engaged in erecting the partition that is to divide the two departments of the center. The furniture and equipment is expected to be placed within a short while.

Mrs. Elizabeth Irons, Mrs. R. S. Greer and Miss Ione Robinson motored to Lake Charles Tuesday where they were the guests of Mrs. W. B. Gabbert.

AROUND THE WORLD WITH THE AMERICAN RED CROSS. Home Service.

One of the finest constructive activities of the American Red Cross in the war was Home Service in the United States, the friendly connecting link between the soldier far from home and his loved ones.

CHAUTAQUA PROGRAM FOR THIS AFTERNOON AND TONIGHT.

Afternoon—3:00 O'clock

Lecture—Home Making. Miss Catherine Mason.

The Columbians—Concert. A Community Conference, "The House Around the Corner," conducted by Miss Catherine Mason.

Night—8:15 O'clock

Lecture by the Chautauqua Director, Dr. A. M. Hyde, of Boston, Mass., "Pushing Back the Horizon," or "The Results of Education."

The Columbians—Concert. Miss Catherine Mason, of Washington, D. C., specialist in Home Economics, food, clothing, decoration, health, entertainment, and general household engineering, will lecture to men and women on "Home-making" is an inclusive topic. It embraces not merely the physical foundation of the home, whether of wood, brick or stone, and the material contents thereof, but also the mental and moral atmosphere.

Science applied to manufacture has produced the aeroplane, the automobile, the railroad train and the steel mill. The mother of tomorrow will say, "I can teach and I can be taught. At no time will I ever be done with learning." The scientifically trained lecturer on "Home-Making" is coming to our town to learn as well as to teach. She will hold a conference on "The House Around the Corner" in which will be threshed out the community problems, the best methods of raising home standards through social and group co-operation.

The lecturer is expected to tell us that no home can stand by itself alone, and that each house gets some of its beauty and some of its ugliness from its neighbor. It takes more than one house to make an environment for our children. The alley as truly belongs to us as does the parlor, and the lecturer is going to take the conference on an imaginary tour of investigation.

The Columbian Concert. The Columbians will invite the Chautauqua-goers to the gay and the serious in melody and in harmony. These four girls have embraced their art with fervor, and a rollicking quality will be discovered in their two programs.

Miss Bertha Muzzy, the director of this attractive quartet, besides lending her contralto voice to the vocal ensembles, is a reader of distinctive ability, and her selections should give her an opportunity to reveal the charm of her personality. Miss Theda Dwiggins, who contributed the lyric soprano quality to the vocal numbers, has dramatic gifts to contribute in monolog form, of which humor is a feature.

Miss Jennie Belle Perry, the mezzo-soprano of the quartet, is a pianist of more than usual excellence. Both in technique and in feeling her work is expected to prove a delightful surprise to her auditors. In Miss Watson the brilliant organization has a dramatic soprano.

Besides their individual solo and their quartet ensembles in vocal offerings, The Columbians will impress their nimble fingers into service as stringed instrument devotees. Miss Perry will make the mandolin vibrate. Miss Watson is mistress of the auto-harp. Miss Muzzy gets primitive musical strains from the banjo and Miss Dwiggins induces the ukulele to sing its plaintive melodies. The program has been arranged for both afternoon and night performances with a view both to the entertainment and the educational value.

The programs so far rendered have been of the highest order, instructive and entertaining, and the citizens are coming more each year to realize the inestimable value of the chautauqua as a builder of community ideals.

Weather conditions and a belated harvest are detracting from the attendance, but in spite of these drawbacks it is presumed that the Chautauqua will pay its expenses.

Mr. and Mrs. J. W. Bower have returned to Welsh after spending the past three months in Kansas. They report having had a very pleasant time. The advent of the first cold wave, however, seems to have suggested to them a return to their Louisiana home.

A. R. M'BURNEY SECURES CONTRACT TO CONSTRUCT THE PELICAN HIGHWAY.

At the office of the State Highway Department, Maison Blanche Annex, New Orleans, Monday, contract for the construction of the Pelican Highway through Jefferson Davis Parish was let to A. R. M'burney of Welsh. Mr. M'burney was the only bidder and he was present in person to sign the contract, which calls for the grading and surfacing with gravel of the 19.43 miles of the road within this parish, and constructing all bridges and culverts.

The construction of the Pelican Highway will be under the supervision of the State Engineering Department. The engineering estimate of the average cost of constructing the highway is approximately \$11,000.00 per mile. Of the cost of construction the State and Federal Highway Departments will pay approximately one-half. The district voted \$150,000.00 bonds for the highway, which have been sold and the money is now being used for the work. It is understood that Calcasieu parish has let the contract for the construction of the one mile of highway in that parish that will connect the Pelican Highway with the inter Calcasieu highway.

THE W. C. T. U. At the recent meeting of the local Union W. C. T. U., Mrs. Bertrand and Mrs. Bradbury were elected delegates to the State convention which is to be held in Alexandria November 5th, 6th, and 7th.

Thinking that the Journal readers would be interested in knowing what we have been doing, we give in part the annual report prepared by our secretary, Mrs. Bradbury: Yearly Report of Welsh Woman's Christian Temperance Union for the Year Ending Oct. 25, 1919.

Our Union reports a membership of thirty-five active and honorary members and have held nine regular meetings and one called meeting. We met only once a month and had the same "flu" quarantine and weather conditions to combat that made last winter famous throughout the state.

From March 5th to 15th we held a membership drive which resulted in seventeen new members.

In our parish the parish school board has authorized the observance of Parish Prohibition Rally Day to be observed in the schools throughout the Parish, it being, as you will readily understand, the peculiar privilege of the W. C. T. U. to see that the occasion is not neglected or overlooked.

The Welsh school put on a program in the Auditorium that was well attended.

One union temperance service was held in which all churches united and an offering for the Jubilee Fund was taken, the amount being \$20.00.

Mrs. LaMance was with us for two days and certainly was an inspiration in addition to delivering a splendid address, her success in loosening the purse strings of the community was almost magical, the pledges and offering being \$117.50. The second evening of her stay was given to the colored people, and resulted in the organization of a colored union.

Little has been done in the school so far this season but we are sending seven copies of "Young Crusaders" to the lower grades.

The sum of \$217.00 has gone from this union into the state treasury to help carry on the work.

BRINGS WONDERFUL PRESCRIPTION TO ALL ECZEMA SUFFERERS. Zemerine, the latest scientific prescription for the treatment of eczema, itch and similar skin diseases, is now sold in the leading drug stores. Until recently it was the guarded formula of a great physician, and men have paid a higher price for the treatment, but now it is within the reach of every sufferer.

It's time to say good bye to inflamed and burning skin! Farewell to irritating and unpleasant sores, spots, chaps and blots which mar your face and make you so uncomfortable. Zemerine can give you relief as it has others. Give it a trial under our guarantee, your money back if it fails to benefit you.

NUMBER WARD OFFICES HAVE NO CLAIMANTS

Democratic Primary Fixed for January 20th. State Ballot is Short.

Following is a list of the candidates who have filed declaration of office with the Parish Democratic Executive Committee, as they will appear on the ballot for the primary election to be held on January 20th:

For Sheriff—Isaac Fontenot, O. Gauthier, A. L. Broussard. Clerk of Court—Claphy Pitre. Assessor—L. L. Richard. Coroner—Dr. V. A. Miller. Representative—J. H. Heinen. Police Jury—Ward 1, J. A. St. Germain; Ward 2, W. Krielow; Ward 3, J. M. Davis; Ward 4, J. S. Tremé, D. D. Fuselier; Ward 5, D. E. Cole; Ward 6, C. E. Carr; Ward 7, R. A. Todd, A. E. Bourgeois; Ward 8, Dolze Bourgeois; Ward 9, Yves Pitre, David Marcantel.

Justice of the Peace—Ward 1, J. B. Macera; Ward 2, W. C. Diemer, F. E. Renshaw; Ward 3, none; Ward 4, A. M. Hollier; Ward 5, none; Ward 6, S. E. Carroll; Ward 7, Alcee Benoit; Ward 8, Isma Foreman; Ward 9, A. V. Pelouquin.

Constable—Ward 1, Jesse Andrus; Ward 2, J. H. Martin; Ward 3, none; Ward 4, none; Ward 5, none; Ward 6, none; Ward 7, Isaac Guillery; Ward 8, Adam LeBlanc, U. L. Fruge, Luma Bourgeois; Ward 9, Ed. Vidrine, Alex. Miller.

Member of Democratic State Central Committee from Parish—R. S. Greer.

Member of Democratic State Central Committee, Congressional District—John Gamble.

The State Ticket. Governor—Frank P. Stubbs, Monroe and John M. Parker, New Orleans.

Lieutenant Governor—Hewitt Bouanchaud, New Orleans, and Philip H. Gilbert, Napoleonville.

Secretary of State—James J. Bailey. Auditor—Paul Capdeville, New Orleans, and M. L. Meacom, Columbia.

Treasurer—Howell Morgan, Baton Rouge, and H. E. Estorge, Opelousas. Attorney General—A. V. Coco, Marksville.

Superintendent of Education—T. H. Harris, Baton Rouge.

Register State Land Office—Fred J. Grace, Plaquemine.

Commissioner of Agriculture—Harry D. Wilson, Amite.

Harry Hutchins arrived in Welsh last Saturday for a visit with relatives and friends. Harry is one of the members of the famous Rainbow Division which took such a prominent part in the big scrap across the pond. He belongs to the regulars, his command being at present stationed at Ft. Jack, Ky., and is enjoying a short furlough, expecting to be discharged next March. Among other emblems of the big conflict, including numerous battle scars, Harry wears a sharp shooder's medal. He was joined here Monday by his brother, Orville (D. D.) Together they will travel west, paying visits to relatives in San Antonio and to another brother, J. J., in California.

WILL BRING MORE HOLSTEIN CALVES TO THIS PARISH.

Demonstration Agents Leave Within Few Days to Make the Purchases.

Demonstration Agent H. C. Fondren and Superintendent of Club Work M. N. Stafford announce that they will leave in about ten days for Wisconsin to purchase a car or more of blooded Holstein calves. Members of the Calf Club have already placed orders for about forty head, and as a car will carry about sixty head they will be pleased to purchase animals for others who desire them. While they are going to purchase only Holsteins for the club members, they will make effort to secure any breed of milk stock that may be desired, providing that same can be found in the section which they will visit.

High grade six-months old calves will cost, delivered, about \$60.00 and registered calves about \$130.00. They will also purchase milk cows, providing enough orders are presented to insure a full carload.

The results of the purchase of this class of stock last season have proven very satisfactory. By bringing the six-month calves here during the fall the agents figure that they will become acclimated during the winter months and will be able to better withstand our climate during the next spring and summer.

This is an excellent opportunity to secure a calf which will develop into a valuable cow in a short space of time and at a small cost. If interested communicate with either Mr. Fondren or Mr. Stafford at once.

The banks of the parish have taken a keen interest in the calf club work and are offering to loan money at six per cent interest for their purchase.

NOTICE TO TAXPAYERS.

The tax roll of the Town of Welsh for the year 1919 is now open at the Town Hall, and taxes can be paid at any time. Interest at the rate of 10 per cent will be charged on all taxes delinquent after January 1st, 1920.

F. G. SEWARD, Clerk and Ex-officio Tax Collector.

Methodist Episcopal Church. 9:45 a. m.—Sunday School. Temperance lesson.

11:00 a. m.—Communion Service. The message of this hour will be "Communion Meditations." The Holy Sacrament will be observed.

3:00 p. m.—Junior League. Misses Olive Scoggins and Annette Weldon will be in charge.

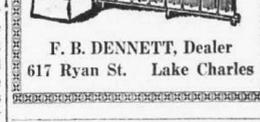

6:30 p. m.—Epworth League. Frank Harris, leader.

7:30 p. m.—Gospel Meeting. Good musical program. Sermon by the pastor on "How Shall I Treat my Very young people and good advice for all will be given. Worship with us. R. L. Weldon, Pastor.

JEFF. DAVIS PARISH PIGS COP STATE FAIR HONORS.

Jennings Grown Jersey is Awarded the Championship.

At the State Fair at Shreveport last week members of the Jefferson Davis Parish Pig Club, with their entries, carried off some important awards. Jack Ingenritz, of Jennings, was awarded first prize and Grand Champion in the Duroc Jersey class, and Kenneth Streeter, of Lake Arthur second prize in the Poland China class. Jefferson Davis parish has some of the best pigs, and other live stock too, in the state.

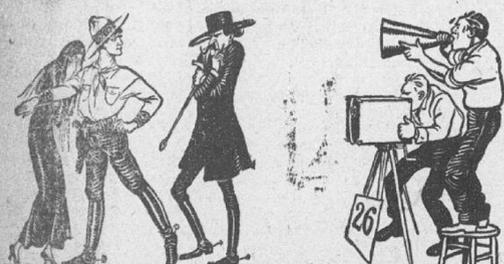

USE SODIUM FLOURID FOR COCKROACHES.

Next to the lowly bedbug, the pest that the housewife detests most is the cockroach. The presence of this fleet-footed, filthy insect somehow makes the average housekeeper feel that her domestic methods are not all that they should be, and she immediately begins to cast about for ways and means of eliminating this nuisance.

According to the home demonstration specialists in the Extension Department of the Louisiana State University, thorough-going cleanliness will go a long way toward preventing the presence of roaches. Also roaches will not frequent rooms unless they find some available food material. If such materials can be kept from the living rooms and offices or scrupulous care is exercised to see that no such material is placed in drawers where it can leave an attractive odor or fragments of food, the roach nuisance can be restricted.

The most efficient remedies for the control of roaches are powders, particularly sodium flourid, a sufficient dusting of which about the premises will furnish a sufficient means for the elimination of the pest. The sodium flourid should be blown into the crevices with a dust gun or blower.

Mrs. J. F. Gresh, who sustained a severe injury to one of her limbs, from a fall, has been confined to her bed for several days. Her friends will be glad to learn that she is improving and resting easier.

Get Full Plow Value Behind Your Tractor

No matter how good your tractor may be, you have to depend upon the plow behind the tractor for the important, direct work of seed bed-making.

It pays to be especially careful in choosing your tractor plow.

We offer you the opportunity to get a John Deere Tractor Plow—the plow that has more than 80 years of successful plow-making experience behind it.

If you will come in and investigate this plow we are sure you will agree with us that it is the best tractor plow for you to buy—that it will last longer than any other tractor plow and will give you better results while you are using it.

Especially, we would like to have you investigate these important features: How the genuine John Deere bottoms are particularly adapted for thorough seed bed-making and longer service.

Why the John Deere Quick Detachable Shares save time and labor and stay close-fitting. How the simple, dependable power lift device, that raises the bottoms high and level, works without troublesome chains or sprockets. How the bottoms reach full plowing depth immediately when lowered and are locked down to this depth while plowing. How the unusual clearance assures steady work in trashy land. How the simple, strong construction throughout assures maximum length of service and minimum repair costs. How the hitch adapts it for successful use with any tractor. We can furnish this plow in two, three or four-bottom sizes. Remember, you need the best tractor plow you can get.

Come in and investigate our John Deere Tractor Plow
