YOUNG MEN AND YOUNG WOMEN ARE IN DEMAND IN BUSINESS.

A countrywide investigation of employment conditions to get information as to the type of help in greatest demand. 1338 of 2445 advertisements for help specified a business training and 524 of the remaining 1107 advertisements were for positions that office assistants grow into. No other profession can claim one-fifth as great a demand. In fact this proves that there is a greater demand for business training than for all other trades and professions combined. Here are more figures to show the advantages of entering the business field as compared with other professions: The average income of a lawyer is \$1500, of a doctor \$1800, others in proportion, while the average income of an business man is \$3000 a year.

The volume of business will increase during the next four years. Building was practically at a standstill everywhere during the war years, and there is much lost time to gain. New world markets opened up to the United States since the war have caused still further expansion of American business. These facts mean big business and a constant demand for trained office help. Judge Gray, chairman of the Board of Steel Corporation, said, "Our prospects are bright, our opportunities for success greater than ever before. I predict that the next five years in this country will be the most progressive, prosperous and successful in our history."

You are not going to pass up a business training and its wonderful opportunities to become a day laborer, house maid, department store clerk, telephone operator, factory hand or live on the back end of some one else's farm. You can't afford it when you can spend a few months with us and make sure your success. Make up your mind to enter now. Fill in and mail to Tyler Commercial College, Tyler, Texas, for large free catalogue.

CHEERFUL HEART.

(By W. Lomax Childress) Cheerful heart, cheerful, what is gold beside you? Sunshine upon the way, and good will to guide you. Sweet rose of patience blooming where you have tread, Songs of the lifting life, and great thoughts of God.

You make the tears to be diamonds of brightness. Tribulations turn to trust, blithe with whiteness. Dreams come of golden days, sweetness and strength. Grief stops to laugh a bit, heartened at length.

Time tinkles tambourines harmonies of heaven. Melodies of merriment that you have given. Cheerful heart, cheerful, when you are high. Rainbows of radiance fill every sky

Life has a better tone, light is the load. Joy is the comrade then then there in the road. Teach us the secret high life's holy art. Little we shall lack then with such a heart.

Friends of Mrs. D. L. Robin, who recently underwent an operation at St. Patrick's, were pleased to see her out again this week. She is recovering nicely.

A Gift from Nature's Storehouse

to Sufferers from Kidney & Bladder Troubles

DEEP in the piney woods of Louisiana there grow certain herbs. Clean, fresh, green little herbs they are, redolent with the smell of the pines and of the wholesome earth that has given them birth.

Years ago, a nameless tramp discovered that these little herbs contained a marvelous power to relieve kidney and bladder disorders in the human system.

Through his discovery, literally thousands of sufferers from these painful, irritating conditions have been made well and strong and whole again.

In memory of the nameless tramp who discovered it, this remedy has been named

HOBO Kidney & Bladder Remedy

and it is now available to sufferers from kidney and bladder troubles in this city and vicinity—a good gift from Nature's great storehouse.

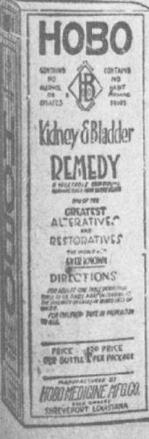

In witness of its wonderful power, read this letter:

Deridder, La., July 8, 1918. To Whom It May Concern: My wife had kidney trouble and could get no relief from any source until I gave her Hobo Kidney and Bladder Remedy. It cured her, and the trouble has never come back. I consider her cure almost a miracle, as we had about lost hope. I cannot say too much for this wonderful herb medicine. (Witness: D. W. Bailey.) J. L. DAVIS.

Hundreds of testimonials of this sort—all of them sent to us unsolicited, tell the same marvelous story—the story of restored health, relieved pain, and quieted nerves. HOB0 is the medicine YOU want, if you suffer from kidney, bladder or prostate gland trouble. Containing no alcohol, no habit-forming drugs, HOB0 may be taken freely without bad after effect.

Sold by all druggists in this city and vicinity. Look for this package when you buy. Price \$1.20.

"Even a professor can learn"

THE PROFESSOR dropped in. LAST NIGHT said. HE HAD a puzzle. YOU KNOW he speaks. FIFTY SEVEN kinds. OF Highbrow talk. BUT HE'D just heard. TWO FELLOWS talking. SOMETHING LIKE this. "HERE'S THE real cheese. ON THE kind of butt. FOR STEADY stuff." "SPILL IT," said the other. SO THE first one said. "IT'S GOT the goods. AND PEP and all. JUST TOUCH one off. AND YOU'LL be living. THE LIFE of Reilly. I'LL FELL for it, and gee. I'M JAKE for keeps. AND SITTING on the world. AND THE second one said. "JUST SLIP us one. FOR THE double-O." AND THAT was all. I LAUGHED and pointed. OUT THE window. AND THE prof read. THE ELECTRIC sign. AND HE was on. THE SIGN just said. "THEY SATISFY." THERE may be a hundred other ways to say it, but in good, plain United States, it's "they satisfy." Those fine Turkish and Domestic tobaccos and that can't-be-copied Chesterfield blend put Chesterfields where none can touch them for quality and value.
