KEEP YOUR OWN HOUSE

The hardest housekeeping in the world is the housekeeping that we do for our neighbors. Half of the troubles that trouble us are caused by worrying about what other people think. What difference does it make what they think anyway?

No one can live his life and two or three other people's lives besides.

So what's the use of setting up housekeeping on the roofs or on the outside walls for the benefit of the neighbors? You would rightly be judged insane if you suggested anything of the kind, and that is practically what half the people do. They can't do this because the neighbors would talk, and they can't do that because the neigh-

bors wonder if they can afford it. They may not say so in so many words, but they mean it, and it is simply a great big vacuum in some of our natures where moral courage ought to be.

Half the sting of poverty or of small means is gone when one keeps house for himself and not for his neighbors.

IS YOUR MIND YOUR OWN?

We often hear people make the remark, "I have a mind of my own."

Literally speaking, yes. But otherwise, NO!

We can demonstrate the truth of the latter statement by referring to your own actions, by the actions of your friends, and the neighbors, by the actions of the public in general.

We contend that no man has a mind wholly and absolutely his own in the generally accepted sense of the word. No man forms his own conclusions and reflections, although many sincerely believe they do.

One simple illustration is nearly enough to prove the correctness of our contention.

Mr. Nameless is one of our citizens who "has a mind of his own." At least he says he has, and he really believes what he says.

He walks along our streets day by day. Glaring defects in our municipal system stare him in the face. He sees them not—or seeing them, fails to heed them. His minds is not concerned.

Another citizen comes along points them out, starts an agitation that grows, and Mr. Nameless immediately comes to life and joins the throng with lusty shouts for improvement—AFTER the other fellow has done the work.

The mind of Mr. Nameless is just like the minds of nearly every human being—it can be swayed by other minds, just as readily as the work of his mind can influence the minds of others.

A mind that is worth having is always susceptible to change, to conviction, to revision superinduced by the wisdom emanating from other minds.

A mind that is wholly its own

YOUNG MAN!
YOUNG WOMAN!
HERE IS THE PROOF

Here are a few extracts from letters of prominent business men who have had the proof as to the ability of our students:

"Having employed several of your graduates, I think your institution the best of its kind in this country."

"Of the seven young men you have sent us, six remain in our service and the other has just joined the Navy. All are making good."

"As you know, I have had a number of your students in my office. I take this opportunity of saying that every student that I have had from your school shows superiority of training over students that I have had from other schools."

"We have one of your graduates as stenographer in our legal department at a handsome salary, giving entire satisfaction. The work is extremely difficult, requiring the greatest skill and accuracy. She reads her notes like print. We wish to recommend your school for turning out such excellent graduates."

"If all of your graduates are as proficient as the three young men we have in our office, you are certainly doing a great work for not only the young people, but the business men as well."

"We have several of your students and all of them understand their business. Your courses are thorough or they could not take hold as they have done for us."

"If the several graduates of your school that have been in our office are fair samples, I cannot recommend your institution too highly."

Following are the names of some of the many prominent people who have visited our school and their comment. Many of these men have given free lectures to the student body:

Mrs. Curtis, Ex-President Texas W. C. T. U., "Wonderful Institution."

Mr. Edmond C. Peters, International Y. M. C. A. Secretary from Russia. "I wish to compliment your school on magnitude, cleanliness and discipline; the best I have ever seen."

Mr. Rothwell, Govt. Inspector Vocational Education, "It is Wonderful."

Dr. Bizzell, President Texas A. & M. College. "A great Institution!"

Mr. Fogleman of the Chautauqua from Sheldon school of Salesmanship, Chicago. "A most wonderful business training institution."

Dr. Hardy, President Baylor College, Belton, Texas. "The most magnificent mixed student body I have ever seen."

Write for free catalogue containing hundreds of endorsements of business men who are now paying our graduates good salaries. With our modern systems we can give you a better course of Bookkeeping, Shorthand, Telegraphy, Cotton Ginning or Business Administration and Finance in half the time and at half the expense of any other school using other systems. Address Tyler Commercial College, Tyler, Texas.

ELTON DEPARTMENT

(By Mrs. Lionel Bertrand)

Misses Hazel Broussard and Frances McCormick departed Saturday for New Orleans where they will enter school for the summer months.

Rev. Soileau from the French Academy on Prairie Hayes is now holding a series of meetings at Powell's lake. He occupied the pulpit in the Baptist church at the morning hour Sunday.

J. R. Hart returned last Wednesday from a visit in east Louisiana.

Leon Bertrand of Pine Island was an Elton visitor Thursday.

Mrs. J. G. Hart returned Sunday from a week's visit with home folks in Crowley.

Mr. and Mrs. Marion McNabb of Kinder were business visitors in Elton Thursday.

Richard Wainwright of Jennings was in Elton Thursday. Jno. Bolls returned last week from a trip to Galveston and other points in Texas.

Miss Mabel Dumartriat left Saturday for a months visit among relatives in Ponchatoula.

A. A. Ormsby, fair specialist, and J. A. Readhead, District Agricultural agent will hold a meeting in Elton on July 14th at 4:00 p. m., for the purpose of organizing a community fair, provided enough are interested in the plan. This is indeed a step in the right direction and it is hoped everyone who can possibly do so will attend this meeting and give this Fair project their hearty support.

J. J. Robira of Jennings was here Thursday holding a family meeting or the Meyers estate. Rev. N. B. Wallace is in Lake Charles assisting in a series of revival meetings in the Baptist church there.

Mr. and Mrs. Pete LeCrox and children of Lurita visited Mrs. LeCrox's sister, Mrs. Marchant and daughter, Clara a few days last week, going from here by auto to Sulphur Springs for a visit.

Mr. and Mrs. Henry Walton left Monday for a six weeks visit among relatives in the northern states.

Amos Richard of near Oberlin was in town Tuesday. He reports having lost a fine horse presumably from Charbon.

Geo. Ward and family were dinner guests of Mr. and Mrs. Odum Mannuel Sunday.

Grandpa Portess is visiting his granddaughter, Mrs. Dora Stokes.

Edias Viellon, assistant cashier in the bank left Wednesday for a two weeks vacation, visiting relatives and friends in Lafayette and New Orleans.

Mr. and Mrs. E. C. Davidson and family left last Thursday for the summer months which they will enjoy in northern points.

Chas. Walton, Geo. Walton, Geo. Ward, Odum Mannel and their families and Mrs. Emma Pilgrim spent the afternoon Sunday with Mr. and Mrs. Henry Walton. This was a very pleasant farewell surprise and a generous supply of cake and ice cream which they carried with them not a small part of the afternoon's pleasure.

Russell Jessup was up from Thornwell Wednesday.

P. J. Sabatier has recently had a screened porch added to his residence, which is a great comfort these hot days.

Mrs. Jno. Barnett enjoyed a visit from her sister from Lafayette last week end.

Miss Leola Hill will spend the summer months with her aunt, Mrs. Odum Mannuel.

Miss Mertys Clark returned Sunday from a visit with friends in Oberlin.

An interesting preliminary rice meeting was held here Wednesday afternoon at which a number of farmers were in attendance. G. A. Courtney of Lake Charles, C. E. Carr of Welsh, H. G. Chaikley of Lake Charles and Mr. Winkler of Donaldsonville participated in the meeting and everyone seemed enthusiastic. At night the meeting was continued at the school house with a large attendance and a good number of far-

mers signed up for the American Rice Growers' Association.

J. D. Davis has purchased a meat market at DeQuincy and has taken possession. Mrs. Davis and Miss Juarita are visiting the former's parents, Rev. and Mrs. N. B. Wallace for a few days, but plan on going to DeQuincy the last of the week. The friends of this good family are very sorry to lose them from Elton, but our loss will be DeQuincy's gain and we all join in most hearty wishes for success and happiness in their new venture.

Mr. and Mrs. R. E. Powell motored to Lake Charles the forepart of the week.

Last week there was something near \$1,200 worth of wool sold on the Elton market and the first of this week the receipts for cattle have been \$1,000.00. Just neat little side line for the farmers the example of which if followed by others would make "hard times" an unknown thing when there is a slump in rice.

Mr. and Mrs. Epperley of Raymond were in Elton Tuesday.

ROANOKE BUDGET

Roanoke, La., June 30—Clara Moore, who has attended school in Berea, Ky., and when school closed came to Mississippi and visited with friends and relatives, has finally arrived home. We are glad to see her again and looking so well.

Little Kathryn Bagly of Jennings was baptized and received in the Dunkard church Sunday.

Ernest Martin is spending a few days with his homefolks.

Bonnie Lewis came home Monday after a two weeks stay at the Jennings hospital where she underwent an operation for appendicitis.

Little Buell Goodwin who was taken seriously ill last week is improving gradually under the ever watchful care of Dr. Arceneaux of Welsh.

Joseph Demary and sister, Dorise have moved to Jennings where Joe will go in business on the south side of the Railroad near the drug store and where he will be pleased to meet his old friends with the new.

Nellie Thomas is again in her place as bookkeeper at the Jeff. Davis Merc. Co., store after a painful attack of tonsillitis.

Mrs. Nora Jacobs passed to her reward after an operation of

appendicitis at Jennings on the 27th. She leaves a husband and a ten year old son with a host of brothers and sisters and friends to mourn their loss. Out of the silence a still small voice whispered, "Nora Jacobs is dead." The book of memory opens and the leaves twirl backward for full 20 years, over the path of life that leads from youth of age, and as the pages turn one can recall many kind deeds rendered by her. Now She has joined the throng that has passed out of sunshine through the shadows, and on to the great light, and so another life story is ended; another soul has gone into the midst; another body is placed beneath the sod; another face by heart sad loved ones kissed; another woman has gone to meet her God. May the day be dark, nor the path weary whither she has gone, may she rest forever in the radiant smile of the blessed Savior. The Journal staff joins in sympathy with the family.

Ford
THE UNIVERSAL CAR
Announcement

Mr. Edsel B. Ford, President of the Ford Motor Company, gives out the following ment:

"Another reduction has been made in the list price of all types of Ford cars and the Ford truck to take effect immediately. The list prices, F. O. B., Detroit, are now as follows:

Touring Car	\$415.00
Runabout	370.00
Coupe	695.00
Sedan	760.00
Chassis	345.00
Truck Chassis	495.00
Tractor	625.00

"The big reduction last fall were made in anticipation of low material costs which we are now getting the benefit of, and this fact together with increased manufacturing efficiency and the unprecedented demand for Ford cars, particularly during the past three months permitting maximum production, have made another price reduction possible immediately.

"Ford business for April and May 1921 was greater by 56,633 cars and trucks than for the same two months in 1920; in fact the demand has been even greater than the supply, so that our output has been limited, not by unfilled orders put by manufacturing facilities.

"During May be produced 101,424 Ford cars and trucks for sale in the United States alone—the biggest month in the history of our company—and our factories and assembly plants are now working on a 4,000 car daily schedule for June.

"The Fordson Tractor is still being sold at less than the cost to produce on account of the recent big price reductions, and it is impossible, therefore, to make any further cut in the price of the tractor."

Can you afford to go without a car any longer when Fords are selling at these new low prices? There is no reason now why you should delay purchasing a Ford car, Ford truck, or Fordson tractor.

We will gladly advise you concerning the delivery of a Fordson tractor or the particular type of car in which you are interested. Just Phone us or drop us a card.
