

Attack of Diarrhoea Cured by One Dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

I was so weak from an attack of diarrhoea that I could scarcely attend to my duties, when I took a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me entirely and I had been taking other medicine for nine days without relief. I heartily recommend this remedy as being the best to my knowledge for bowel complaints.—R. G. Stewart, of the firm of Stewart & Bro., Greenville, Ala. For sale by The Phoenix Drug Store.

Mary and Her Lamb.

Mary had a little lamb, its fleece was white as snow; it strayed away one day, where lambs should never go. And Mary sat her quickly down and tears streamed from her eyes; she never found the lamb because she did not advertise. And Mary had a brother John who kept a village store; he sat him down and smoked a pipe, and watched the open door. And as the people passed along and did not stop to buy, John still sat and smoked his pipe and blinked his sleepy eyes. And so the sheriff closed him out, but still he lingered near, and Mary came to drop with him a sympathetic tear. How is it, sister, can you tell, why other merchants here, sell all their goods so readily and thrive from year to year. Remembering her own bad luck the little maid replied: "These other fellows get there, John, because they advertise."

Chamberlain's Cough Remedy One of the Best on the Market.

For many years Chamberlain's Cough Remedy has constantly gained in favor and popularity until it is now one of the most staple medicines in use and has an enormous sale. It is intended especially for acute throat and lung diseases, such as coughs, colds and croup, and can always be depended upon. It is pleasant and safe to take and is undoubtedly the best in the market for the purposes for which it is intended. Sold by The Phoenix Drug Store.

For the Farmers.

The rural routes were established for the benefit of rural homes, or in other words the farmers. They have proven a greater benefit and blessing to the farmers than was anticipated by the most sanguine. A farmer who has once enjoyed the advantages of the rural mail service would hardly know how to live without it. It did not come to the farmer, however, until he had many times earned it. The farmers are our heaviest taxpayers. What property they have is in plain sight and is taxed, while the city gent, at least many of them, who deal in notes and bonds is enabled to hide his wealth from the assessor. For a quarter of a century the mail has been carried to the city home, not once, but many times each day. Finally the big heart of Uncle Sam has reached out to the men who feed the world.

Teachers' Examination.

The following notice has been sent out by State Superintendent Aswell:

"Baton Rouge, Aug. 21, 1906. My dear Superintendent: The majority of the superintendents have requested the examination to be given the first week in September. I have arranged, therefore, for you to hold the examination for certificates of qualification on Friday and Saturday, September 7th and 8th. The questions will be forwarded to you in due time."

"Please see to it that every person who expects to teach in your parish during the coming session secures a certificate before the schools begin."

"Yours very truly,
J. B. ASWELL,
State Superintendent."

Any one desiring to take the above Examination will meet the committee at High School Building in Winnfield on date above given.

Respectfully,
Cas Moss,
Superintendent Winn parish.
Lame Back.

This is an ailment for which Chamberlain's Pain Balm has proven especially valuable. In almost every instance it affords prompt and permanent relief. Mr. Luke LaGrange of Orange, Mich., says of it: "After using a plaster and other Remedies for three weeks for a bad lame back, I purchased a bottle of Chamberlain's Pain Balm, and two applications effected a cure." For sale by The Phoenix Drug Store.

Popular Advice.

If you don't just like everything you see in your home paper, go around the streets and howl. The editor is never supposed to make a mistake and of course cannot do so. Other people can, but the editor is ambiguous, omniscient, omnipresent, "omniverous." If you can't see a good point, don't fail to see a bad one. If a thousand pleasant things are said of people, hunt for something unpleasant. If you don't find it, howl some more; if you do howl anyway. Never mind your own business; watch for something to find a fault with in some other man's business, this will make you great.—Farmerville Gazette.

No one would buy a sailboat with sails that could not be reefed. There is always that possibility of a little too much wind that makes a cautious man afraid to go unprovided. The thinking man, whose stomach sometimes goes back on him, provides for his stomach by keeping a bottle of Kodol For Dyspepsia within reach. Kodol digests what you eat and restores the stomach to the condition to properly perform its functions. Sold by Smith & Grisham Co.

Shevalier Heard From.

Our old friend James Shevalier, who will be remembered here in connection with the handle factory we used to have, and who also helped several of us to buy a planing mill outfit, is in Lake Charles at the head of a thousand striking saw mill hands, who have caused the closing down of seven mills in that city. They are striking for a shorter work day and a weekly pay-day.

Good for the cough, removes the cold, the cause of the cough. That's the work of Kennedy's Laxative Honey and Tar—the original laxative cough syrup. Contains no opiates. Sold by Smith & Grisham Drug Co.

Notice to Ice Consumers.

From and after this date I will not sell ice except for cash. For convenience and to avoid making change I have coupon books, in denominations of five, ten, fifteen and twenty-five cents for sale at a small discount. Those wanting less than fifteen pounds of ice must get it from the wagons. The drivers have been instructed not to carry in the houses less than fifteen pounds. Those rules will be strictly adhered to July 13th, 1906. H. M. McDONALD.

In these days of rush and hurry courtesy is often forgotten. In the mad, pell mell rush of our life little things are done to offend that we rather remain undone. A hastily eaten meal and its resultant headache may cause us social or financial loss. The wise man or the woman is the one who relieves little ills of this sort by a little dose of Kodol For Dyspepsia. It digests what you eat and puts your stomach back into shape. Sold by the Smith & Grisham Drug Co.

Reported to be Glanders.

The mules and horses of J. D. Gentry, who resides a few miles from town, have been quarantined by the police jury because of a disease among them, supposed to be glanders. M. Tansey contractor on the Tremont & Gulf Railroad, saw the sick mule and says it is not glanders, but Dr. Jones, veterinarian, after an investigation, reported it glanders. Mr. Gentry, in the meantime, is doing his traveling a-foot.

A bath cleanses the skin and rids the pores of the refuse. A bath makes for better fellowship and citizenship. Not only should the outside of the body be cleansed, but occasional use of a laxative or cathartic opens the bowels and clears the system of effete matter. Best for this are DeWitt's Little Early Risers. Pleasant little pills that do not gripe or sicken. Sold by Smith & Grisham Co.

The Burglar Again.

An attempt was made Sunday night by a burglar to enter the new residence of T. W. Moffitt. The only members of the family at home at the time were Miss Moffitt and her little sister, about 13 years old; and a little brother, about 15 years old. An attempt was made to open each door in the house, but they had been securely fastened. After finding that the inmates were awake the burglar left, much to the relief of the young people.

When two strong men come to blows, even if they are well matched, it is not a pleasing sight, but if the man who gets the worst of it will use DeWitt's Witch Hazel Salve, he will look better and feel better in short order. Be sure you get DeWitt's. Good for everything a salve is used for, including piles. Sold by Smith & Grisham Drug Co.
