MALARIAL DISEASES.

How to Avoid Them and the Serious Consequences of Neglect.

"Fix me up something to knock the malaria, doctor," remarked a sallow-faced, sickly looking man, entering a prominent physician's office the other day.

The doctor stepped to his medicine case, took down a couple of bottles, mixed a preparation which he handed to the patient with the customary advice to 'shake well and follow directions,' and resumed his seat.

"Such cases are frequent," replied the doctor in answer to a question. "The warm days and damp, chilly nights are certain malaria breeders and are most serious in those who have neglected to keep their stomach, liver and bowels in good condition. Such persons are full of the impurities on which the malarial germ thrives, and it is from this class that typhoid fever, pneumonia, Bright's Disease, small pox and yellow fever claim most of their victims whenever these diseases are prevalent.

The proper way to guard against the malarial germ and the serious diseases which follow it is to get into good condition by taking a reliable remedy that will keep the bowels clear and the liver healthy, and to continue with it at frequent intervals during the sickly season.

A dose of Prickly Ash Bitters three or four times a week will do all of this, besides stimulating the digestion, improving the appetite and keeping the bodily energy at the highest pitch.

Prickly Ash Bitters is known everywhere as a system tonic and bowel regulator. It not only removes all traces of malarial poison from the system, but tones up the vital organs, gives new strength and vigor, makes the body strong and the brain active.

"Prickly Ash Bitters is the best all-around medicine for the family I ever used. During the past ten years I have always kept it in my house. Whenever any of my family show signs of malaria, kidney trouble, indigestion or constipation a few doses is all that is needed to make them well and hearty again."—W. H. McWilliams, Pickering, La.

Where Bullets Flew.

David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done for me more than five hundred dollars to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. I then tried Electric Bitters, and they cured me. I now take them as a tonic, and they keep me strong and well." 50 cents at all drug stores.

How to Cure Liver Trouble

Keep Your Bowels Regular and Your Stomach Sweet

People sometimes imagine when they have liver trouble or are bilious that the main thing to do is to take physic. Taking pills and keeping your bowels regular are two very different matters. The use of a violent cathartic does not mean the cure of constipation or the establishment of regular movements. A physic is an emergency remedy, but never a bowel treatment. If the bowels do not move regularly there is a reason deeper seated than the mere clogging up that is removed by a dose of salts or pills.

When that drowsy, tired feeling, with the coated tongue, the dull head pains, the sour stomach, the sallow complexion, constipated bowels and touches of fever come on it is time to take a medicine that will act on the bowels gently and mildly, cleansing and strengthening them, stir up the liver and aid the stomach in digesting the food.

Dr. Caldwell's Syrup Pepsin does this every time. Take a few doses and see how quickly the drowsy feeling leaves, regular bowel movements come back, with a good appetite and perfect digestion, and you soon feel like your old self. It does not gripe nor pain, it acts smoothly, mildly and is very pleasant to take. Wm. Hinckman, Mesick, Mich., says: "I was troubled with indigestion and liver trouble. I have used Dr. Caldwell's Syrup Pepsin with fine results. It is a perfect laxative and I now feel as strong and well as formerly." Wm. Block, Monticello, Ill., says: "Dr. Caldwell's Syrup Pepsin is the best remedy I ever used for liver complaint or constipation." Mrs. R. H. Brown, Addington, Ind. Ter. was troubled with torpid liver and constipation. Dr. Caldwell's Syrup Pepsin gave her prompt relief. All druggists sell it at 50c and \$1.00 per bottle. Pepsin Syrup Co., 596 Caldwell Bldg., Monticello, Ill., is glad to send a free sample to anyone who has never used it and will give it a fair trial.
