Five Years

of Heart Trouble Cured by
Dr. Miles' Heart Remedy

"Before I began taking Dr. Miles' Heart Remedy I had been suffering from heart trouble for over five years. I had pains in my left side, and under my shoulder blade, could not sleep on the left side, and was so short of breath the least exertion would bring on the most distressing palpitation. I had scarcely taken a half bottle of the Heart Remedy before I could see a marked change in my condition. When I had taken six bottles I was cured."

MRS. C. C. GORKEY,
Northfield, Va.

If there is fluttering or palpi-
tation it is an indication of a
weakness of the nerves and mus-
cles of the heart. It is not neces-
sarily diseased—just weak from
over-work. The heart may be
weak just the same as the eyes,
stomach or other organs. You
can make a weak heart strong
by taking Dr. Miles' Heart Rem-
edy. Get a bottle from your
druggist, take it according to di-
rections, and if it does not ben-
efit he will return your money.

Card of Thanks.

I wish to extend my sincerest
thanks to all those who so
loyally supported me in the Com-
rade's contest. The kind words
of encouragement as well as the
support given will ever be held in
fond remembrance.

(MISS) EDWINA TANNEHILL.

R. L. Woods Co., of Liberty
Hill, La., says: "From the ex-
perience in the using, and the
selling of your line of Royaline
remedies, can say they are high
class, and possess merit, for they
give satisfaction in every instance.
Would say a word specially about
your Royaline Liver Regulator.
We find it has taken the place of
the old line remedies with our
trade, which speaks for itself as
to its merits." Guaranteed by
Druggists and Dealers.

The Bazaar.

The bazaar and ice cream supper
held at W. A. Mashaw's store on
last Friday for the benefit of the
cemetery fence fund was a decid-
ed success.

Many and various articles of
wearing apparel and dainty hand
embroidery were on display all of
which found ready sale. The
proceeds amounting to the neat
sum of twenty-five dollars.

For Sale.

I have a seven-eighths Jersey
cow, now giving nearly three gal-
lons of rich milk per day. Price

Good Garden.

Mr. W. V. Higdon, of this city,
has undoubtedly, the finest gar-
den for the time of year, that
has ever been seen in this sec-
tion. All kinds of vegetables
are to be had in this garden and
are not only large enough for
use but some of them as large as
the plants are known to grow at
any season of the year. He has
turnip greens, planted this spring
that now measure 30 inches
across the top, and beets, radish-
es, etc. in abundance. That the
soil around Winnfield will pro-
duce almost anything in the way
of truck and fruit has been thor-
oughly proven by Mr. Higdon
and the fact that he is called the
best gardener in Winnfield is a
title justly merited. Mr. H.
says, however, that his good
wife is the gardener at his house.
If this is so, then "honor to whom
honor justly belongs."

Beauty Beautifying.

No one can resist the importun-
ities of the ladies in this land of
beautiful women and gallant men.
This leads to the thought that if
the ladies of the Winnfield Civic
League and maidens of the Will-
ing Workers will enter upon a
strenuous campaign to improve
the home areas and the public
thoroughfares, they can accom-
plish an immense amount of both
sanitation as well as making at-
tractive both thoroughfares and
places of resort. By inaugurating
an active movement in this direc-
tion an immense amount of good
can be achieved. The ladies of
other towns and cities are thus
laudably occupied and there is
rapid transformations in this
respect. The ladies of these
associations may rely on the active
co-operation of The Sentinel in
such a laudable undertaking. Let
every one clean up and beautify
their homes and surroundings.

Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by
effectually helping Nature to Relieve Indigestion.
But don't trifle with Indigestion.

A great many people who have
trifled with indigestion, have been
sorry for it—when nervous or
chronic dyspepsia resulted, and
they have not been able to cure it.
Use Kodol and prevent having
Dyspepsia.

Everyone is subject to indiges-
tion. Stomach derangement follows
stomach abuse, just as naturally
and just as surely as a sound and
healthy stomach results upon the
taking of Kodol.

When you experience sourness
of stomach, belching of gas and
nauseating fluid, bloated sensation,
gnawing pain in the pit of the
stomach, heart burn (so-called),
diarrhoea, headaches, dullness or
chronic tired feeling—you need Ko-
dol. And then the quicker you take
Kodol—the better. Eat what you
want, let Kodol digest it.

Ordinary pepsin "dyspepsia tab-
lets," physics, etc., are not likely
to be of much benefit to you, in
digestive ailments. Pepsin is only

a partial digester—and physics are
not digesters at all.

Kodol is a perfect digester. If
you could see Kodol digesting every
particle of food, of all kinds, in the
glass test-tubes in our laboratories,
you would know this just as well
as we do.

Nature and Kodol will always
cure a sick stomach—but in order
to be cured, the stomach must rest.
That is what Kodol does—rests the
stomach, while the stomach gets
well. Just as simple as A, B, C.

Our Guarantee

Go to your druggist today and get a dol-
lar bottle. Then after you have used the
entire contents of the bottle if you can
honestly say, that it has not done you any
good, return the bottle to the druggist and
he will refund your money without ques-
tion or delay. We will then pay the drug-
gist for the bottle. Don't hesitate, all
druggists know that our guarantee is good.
This offer applies to the large bottle only
and to but one in a family. The large bot-
tle contains 2 1/2 times as much as the fifty
cent bottle.

Kodol is prepared at the labora-
tories of E. C. DeWitt & Co., Chicago.

No Land So Rich That Fertilizer Cannot Make It Better

You use fertilizers for the profit you get out of them—and the
better the land the more profitably a good fertilizer can be used on it.
Do not imagine because land will produce a fair crop without

Virginia-Carolina Fertilizers

that these fertilizers cannot be profitably used on it, or that they were
made only for land too poor to produce without them. If poor land
will show a normal increase when fertilizer is used, good land will
show at least double the increase. Use Virginia-Carolina Fertilizers
to increase the quality, as well as the quantity of the crop—and you
will increase the profits from your land.

"I have been using your fertilizers for a number of years" says
Mr. William Fraiser, of Glasburg, La., "and find that it not only pays
to fertilize, but to do plenty of it, and use the best fertilizers to be
had, such as your brands. I have used a number of them and found
them to be as recommended and to give better results than any other
fertilizers that I have ever used."

Every planter and farmer should have a copy of the new 1909
Virginia-Carolina Farmers' Year-Book. Get a free copy from your
fertilizer dealer, or write our nearest sales office.
