SUFFRAGISTS WILL SWAMP CONGRESS.

Dear, sweet suffragettes concluded to swamp Congress on the 1st instant and in support of the adoption of a constitutional amendment at the next session, so that it can be sent to the States for ratification. Delegations from every State will be in the line-up. They will not march to Washington, preferring to profit by the absence of the hikers for the occasion, and will make the automobiles. This is far more comfortable and satisfactory than the poor, weary, bent, Senators and Representatives will do with the tariff, currency and the suffrage amendment. It is hard to figure this for a man, but it is hard to believe the amendment will be passed at this session. It is very probable that a greater good could be accomplished by putting it up to the legislative bodies as they have been doing in the past. With a constitutional amendment by Congress, the fight for suffrage will have to be conducted in every State and some good might be lost. Illinois recently passed the woman's suffrage bill, but the next legislature might be composed of men who will ignore the amendment, and repeal the statute now on the books in that State. Many stages appear to be the end for the suffragettes in this land of liberty.—Natchez.

John Purroy Mitchel, the very young and very talented collector of the port, whom President Wilson has appointed for New York, was congratulated at a dinner on his remarkably young and complete success.

"What, Mr. Mitchel, a broker, is your secret?"

"Well," Mr. Mitchel, replied, "I don't claim to be a success authority, I've noticed that the man who makes his mark in the world is usually pretty careful in the first place about picking out his target.—States.

When Roosevelt wielded the big stick the Republicans were roasted by knowing to him, and voting the way. It was held that they should have the courage of convictions and vote according to the dictates of their own consciences. Things have changed, of course.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a humming sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be forever lost. No hearing will be restored by Catarrh, cases out of 100 cured by Catarrh, which is nothing but an inflammation of the mucous surfaces.

We will give \$1000.00 for any case of Deafness cured by our method. Our method is not a secret. It is a simple, natural, and safe method. It is the only method that has ever been known to cure Deafness. It is the only method that has ever been known to cure Deafness. It is the only method that has ever been known to cure Deafness.
