

TO BE CONTINUED

EVERY four weeks is the "Saturday Evening Post" the makers of Eagle Shirts are telling the story of the fine shirt product of America. Eagle Shirts are made for the men of today, but in the creating of the patterns, the dyeing of the yarns, the weaving of the cloths, the great history of weaving gives inspiration for distinguished fabrics.

Put these advertisements to the test. Demand in Eagle Shirts handsomer patterns, finer textures. We know you'll be satisfied.

Kelly-Springfield Tires

Automobile tires, like eggs, are of several different kinds--good, bad and indifferent. The low-priced tire or the bargain egg may appear to offer a saving, but the fact remains that the man who buys the best is NEVER SORRY.

RED CROSS

Attention is called to maps showing Red Cross Peace Time Activities in Louisiana which have been displayed in public places in different parts of the parish. We are told that in all Red Cross work Louisiana is near the top and in several respects Louisiana leads the entire United States.

From these maps can be readily seen that the work of the Red Cross is continuing along the lines of the Public Health Nurse, Classes in First Aid, and Home Hygiene and Care of the Sick, Junior Red Cross Auxiliaries and extended Home Service.

It will be seen that Madison Parish has had a First Aid Class and has extended service to civilian families. We were not given credit for Junior Auxiliaries as reports had not been sent in when these maps were made. The forty percent of Junior funds raised in the schools were expended for local needs. The Tallulah High School was equipped with much needed First Aid Supplies. These supplies are kept in a cabinet made by the Manual Training Department and are used almost daily while school is in session.

The following report was sent to Division Headquarters by the Home Service Section of Madison Chapter for the month of May:

Soldiers' families dealt with 27; civilian families dealt with 16; financial relief \$7.70.

During the summer months the Red Cross office, Tallulah State Bank Building will be open from 9 to 12 a. m., and 1 to 5 p. m., Tuesday, Thursday and Saturday.

"How I saved a policeman's life"

EVEN THE EGGS WERE TIRED that morning. AND THE coffee. DIDN'T FOOL me one bit. BUT WHEN after breakfast. MY CIGARETTE tasted awful. IT WAS too much. AND A grinch started. AND WALKING to work. I SWORE off smoking. AND DECIDED to fire. MY OFFICE boy. BUT JUST before I decided. TO KILL a policeman. A MAN passed me. SMOKING A cigarette. AND SAY but the smoke. THAT DRIFTED back.

DID SMELL good. AND I followed him. INTO A store. HE THREW down two dimes. AND SAID "The same." AND SO did I. AND SO I'm still smoking. AND STILL keep that. OFFICE BOY and I let that. HANDSOME POLICEMAN live, AND I'M going to boost. THAT MAN I followed. FOR PRESIDENT or something. FOR REALLY those cigarettes. DO SATISFY.

JUST a whiff of that spicy aroma of fine Turkish and Domestic tobaccos will make you hungry for this "satisfy" smoke. There are blends and blends, but none like this one. Chesterfield's blend is a secret and it cannot be copied.

Your Tire Bills

YOU can save the price of from four to seven inner tubes this year.

Put this money in your pocket by fitting out with Lee Puncture-Proof Tires—extra heavy, finely made tires, road-proofed with the three patent disc-layers, a distinctive Lee feature, absolutely unpuncturable yet pliant and "frictionless."

Your saving in tubes alone will bring down the cost of Lee Puncture-Proofs to about that of ordinary tires.

Put Lee Puncture-Proofs on your car.

Know, in advance, exactly what your tire and tube bills will be for the next twelve months.

In addition—you save time, temper and the annoyance of changing tires on the road.
