### EVIL INFLUENCES

It is certainly amazing how much space in the big city papers a sporty and fundsome woman who treads under foot the conventions of respectshie society can command once her sinning results in a divorce suit or s murder. Not only all the details of court proceedings, but her life from girlhood, are displayed in type and pictures, along with anything she may say or write, in the most conspicuous

At the same time the wise words of college professor, the story of a noble charity, the details of a great medical discovery, go to the remote columns in solid type, Educational egain. and religious news, the thoughts of To the well :- I give protection and honorable religious leaders, yield to guarantee to many the chance to keep the sensational and the debasing in well.

### INCOME FIGURES

Most people here are average Americans. That being the case, the ome for each during 1913, accord-Ing to figures just given out by Uncle Sam, was \$854 for each member of the family. This rose to an average of \$629 in 1919. But it was only \$358

## SOMETHING USEFUL

Despite the fact that Christman h is of years old, the tendency give foolish gifts still prevails to arge extent. In recent years there has been a leaning towards gifts of perfect investment company, articles of wearing apparel, and, we are glad to see it. For anyone appreciates something that is serviceable more than something that delights the whisher of the one so thought send it—and this more than the gift. Think over the sea could send as Christman these who live clearwhere but acquisited here. And if you it of a single thing that will not be send to send the send than the sen
