ARTICLE III.

The objects and purposes for which this corporation is established and the nature of the business to be carried on by it are declared to be the printing and publishing of a newspaper, devoted to the agricultural and other interests of the Lower Coast and of the State of Louisiana; to conduct and carry on a general newspaper business, with all things connected therewith, and by the sale of such newspapers and other printed matter published by said corporation, to disseminate news and all matters of general information.

ARTICLE VIII.

No stockholder shall ever be held liable for contracts or faults of said corporation in any further sum than the unpaid balance due on the shares of stock owned by him, nor shall any mere informality in organization have the effect of rendering this charter null, nor of exposing a stockholder to any liability beyond the amount due on his stock.
