IN MEMORIAM.

Mrs. Nancy Weaver of ward 2, this parish, passed quietly out of this life on the evening of March 11th, 1898, at 7:45 p. m., surrounded by a loving family and friends.

She was born in this State, and at her death was 32 years of age.

She was a woman of rare social qualities, frank and generous impulses, and well worthy the love and admiration which she commanded.

Several years ago she made public profession of her faith, and in her dying moments she assured her loved ones that she was prepared to go—God grant it, and give to her husband, father, mother, brothers and sisters, grace to bear this affliction under the hope set before us; "which hope we have is an anchor of the soul, both sure and steadfast, and which entereth into that within the veil."

'Tho' she is "asleep in Jesus—blessed sleep, from which none ever wake to weep." "Asleep in Jesus, far from thee thy kindred and their graves may be. But thine is still a blessed sleep from which none ever wake to weep."

Rev. C. V. Terrall will preach the sermon at Goldona, on Sunday, May 29th. C. V. T.

It remains for the celebrated firm of physicians and specialists, Dr. Hathaway & Co., (Regular Graduates Registered), to place a genuine business proposition before the public, which has never been made before.

We agree to treat any person afflicted with any chronic disease and cure them, furnishing medicines and everything necessary for their case, or forfeit \$50.00 in gold, providing the patient faithfully follows treatment and directions, and the case is a curable one.

This offer is plain, and there is no catch to it; and furthermore, the offer is good and the money perfectly safe because we are financially responsible.

Dr. Hathaway & Co.'s experience during the last 20 years has proved the fact that they have cured thousands of cases where other doctors have failed, and this warrants them in making this remarkable offer. All persons who are suffering from any chronic disease, have now an opportunity to test the treatment of the acknowledged leading physicians and specialists of this country, with an absolute surety of being cured. Special diseases, such as catarrh, blood poison, weakness of men and women which affect the delicate organs and private diseases of all kinds, rheumatism, stricture, varicocele, ruptures, female troubles, skin eruptions, ulcers, kidney and urinary diseases, liver and stomach difficulties, liquor, opium and morphine habits, or any chronic disease. Our treatment can be taken at home under our directions, or we will pay railroad fare and hotel bill to all who prefer to come to our office for treatment, if we fail to cure. We have the best of financial and professional references and transact our business on a strictly professional basis, promising nothing but what we can fulfill. We do not believe in any of the free prescriptions, free cure, free sample or C.O.D. frauds, but think it is best in the end to be honest with our patients. Write us to-day; don't delay.

We have carefully prepared Symptom Blanks No. 1, for men; No. 2, for women; No. 3, for skin diseases; No. 4, for catarrh, and new 64 page booklet which we will send free to all who really desire truthful information about their condition. Call or address.

Wiley Davis of Alpha, was shot at as he was returning home from Campiti, Friday, 11th inst. The charge of "squirrel shot" took effect in the wagon body on which he was riding, only a few striking him, and without harm. It was too dark to recognize the party as he ran away from ambush, but it was thought he made a mistake, as Davis has no enemies.
