FRIDAY, September 30, 1898.

The Populists of the 4th Dist. will meet in convention here tomorrow to nominate their candidate for congress. The delegates are invited to make this office and the City Hotel their headquarters during the convention.

Any Person wishing to know the truth in regard to their health should not fail to send for a valuable and new 64-page Booklet which will be sent FREE for a short time to those who mention this paper. This book is published by the celebrated physicians and specialists—Dr. Hathaway & Co., of 337 St. Charles St. New Orleans, La., whom you should address. Write to-day.

We regret to note the death on last Saturday of Mr. C. L. Crump, at his home near Marthaville, this parish. He was one of the constables of ward 5, and was in the prime of life. He was a nephew of police juror S. D. Crump of that vicinity, and has many other relatives and friends, and a wife and several small children, to all of whom we extend our sympathy.

Successful Physicians.

We heartily recommend Dr. Hathaway & Co., of 337 St. Charles Street, New Orleans, La., as being perfectly reliable and remarkably successful in the treatment of chronic diseases. They cure where others fail. They never employ traveling doctors. Our readers if in need of medical help should certainly write them, and you will receive free of charge their expert opinion of your case by return mail. They guarantee their cures.

Dr. L. D. Fisher, a prominent Dentist of Evergreen, La., was in town this week prospecting for a location.

We are to have a first class tournament in Natchitoches before long, and the young men are making great preparation for it. There will be splendid entertainment and a large attendance is confidently expected.

STOP SMOKING ... Constable T. J. Hart of Campte, was in town on Saturday and Monday, on business.

Mr. C. L. Deverenne was indisposed for a few days this week, but is out again.

TOWN NOTES.

Nice cotton picking weather, and splendid "Yellow Jack" weather.

Mr. Henry Hughes has an elegant residence, which is about completed. It is quite an ornament, and no doubt will be a very comfortable home.

Mr. D. C. Scarborough and family have moved into their beautiful and comfortable home. It is not quite finished. It will be a model residence.

Other houses are being built, and others are being repaired; too many to mention.

We note that Messrs. Williams, Weaver & O'Quin have a new clerk. That we suppose means an increase of business. They do business on the "square," and ought to do well.

Miss Annie Thorpe, late of Franklin, and now of Mansfield, is visiting at Dr. Gallion's and Mr. Freeman's, this week.

We learn that Mr. Henry Colton, who has been a great sufferer from an injury received while at work at the State Normal, is convalescent.

Tom Cox says that "cotton is too cheap for anything, and it pays better to haul wood and "taters" to town than to raise cotton."

Mrs. Mattie Houston, we are glad to note, is recovering from her severe illness.

Mr. Dick Aaron says that his "licker does not make drunk come, except when too much is taken."

The Grammar school, we are told will open on time, but the Normal will not.

Our energetic dentist, Dr. Harrison, we see has help now in his office. It is possible the dry weather makes the filling drop out, and they have to do the work over? UNO.

Capt. L. Caspari is on the streets again after a few days illness.

The Oil Mill will start up in a few days and its familiar whistle will be heard in the land.

CASTORIA. The Kind You Have Always Bought. Bears the Signature of *Wm. D. Knapp*

The stock has been subscribed for a steam laundry in Natchitoches and work on it will commence soon. This is a good move and ought to pay. We ought to be able to do our own washing at home instead of expressing it to Shreveport and back twice a week.

A Pure Animal Diet.

Captain Nansen has exploded one old-fashioned theory concerning the unhealthfulness of a purely animal diet. For over a year he lived like people of the Arctic zone, subsisting on bear meat, seals, seal meat and fat, narwhal flesh and blubber, and now and then a fish. Instead of breaking down from illness or weakness, he grew stout and strong upon the bill of fare, and according to his best judgment was in better condition than he had been for many years. During several weeks he lived chiefly on his Eskimo dogs, whose flesh he found both palatable and tender.—New York Mail and Express.

"A curious plan for elevating Georgia morals has been formulated by a well known citizen of Atlanta," says the New York Tribune. "He proposes that each county shall decide by vote on Jan. 1st of each year who the worst man in the country is, and that the man receiving the highest number of votes shall on the ensuing Feb. 1st, be hanged. It is claimed or the plan that it would induce bad men to emigrate, and that the 'compliment vote' received by those who had just begun to be bad, but were not generally recognized as such, would tend to create a desire within them to be enrolled among the well-behaved."

African Limbless Cotton.

I have 5000 packages of 100 selected seed each, of this famous cotton at 25 cts. per package. I will raise 400 pounds lint on the 1/2 of an acre I have grown this year. Call and see it growing on my place. Or see it at the Alexandria Fair, where I will have it on exhibition.

Cash must accompany orders. 25 cents per package of 100 selected seed.

A. A. GOODWIN, JR. Marco, La. Sept. 23, 1898.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c. per bottle.

Mr. W. R. Carter, a former resident of this place, is now on the road for Achille Bauer of Alexandria, handling groceries. He was a pleasant caller in our office Tuesday. Roland will make his mark among the knights of the grip.

THEIR... SUCCESS.

Dr. Hathaway & Co.'s success has become a household word. Why? The answer is simple. They are men with the courage of their convictions. Originators, not imitators. Their methods like themselves, are in harmony with the people and the times. New and up to date. Among the legions of mis-called experts and legitimate specialists they stand to-day with clean hands in the front rank of responsible professional men. Their acknowledged originators of the new and now widely adopted method of treating chronic and complicated disorders. Their reputation rests not on the cheap, transparent platitudes of purchased testimony, but on a long list of cured patients, visible local witnesses of their skill. As physicians of business and social status in the community they pledge a complete course of treatment and ultimate cure by the "Hathaway method," untroubled, and at prices within the reach of all. They are regular graduates in medicine from some of the best medical colleges in the world, and hold licenses to practice from different State Boards of Health. They conduct their business on a strictly professional basis, promising nothing but what they can fulfill, and do not adopt the many false and fraudulent methods that many doctors and so-called specialists in offering free prescriptions, cheap medicines and C. O. D. packages in order to obtain a few dollars from their unfortunate victims. If a sufferer from any wasting disease, disordered blood, nervous collapse, or loss of mental vigor, kidney or urinary difficulty, hydrocele, piles, prostatic, rupture, unnatural discharges, stricture, rheumatism, catarrh, female weakness or any disease peculiar to your sex, it will pay you to investigate this original Hathaway method.

The secret of the great treatment is yours for the asking. Why hesitate? Call on or address DR. HATHAWAY & CO., 337 St. Charles St., New Orleans, La. Mail treatment given by sending for symptom blank. No. 1, for men; No. 2, for women; No. 3, for skin diseases; No. 4, for children. Free, 64 page booklet, by writing us and mentioning this page.
