

God and Our Native Land.

BY J. H. TALBOT. "God and our Native Land" repeat the cry, Till all of Freedom's land Shall echo back the glad reply— "God and our Native Land!"

"Deeds not Words," shall be our creed, And by it we firmly stand; Serving by each act and deed, "God and our Native Land!"

To North and South, and East and West, We stretch a brother's hand, Proclaiming, with a common zest, "God and our Native Land!"

THE BRITISH QUARTERLIES, AND BLACKWOOD'S MAGAZINE.

LEONARD SCOTT & CO., New York, continue to re-publish the following British periodicals—viz:

- 1. The London Quarterly Review, (Conservative.)
- 2. The Edinburgh Review, (Whig.)
- 3. The North British Review, (Free Church.)
- 4. The Westminster Review, (Liberal.)
- 5. Blackwood's Edinburgh Magazine, (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the year 1855. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these periodicals that the readers must look for the only really intelligible and reliable history of current events, as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Arrangements are in progress for the receipt of early sheets from the British publishers, by which we shall be able to place all our reprints in the hands of subscribers about as soon as they can be furnished with the foreign copies. Although this will involve a very great outlay on our part, we shall continue to furnish the periodicals at the same low rates as heretofore, viz: For any of the four Reviews, per annum, \$3; for any two of the four Reviews, \$5; for any three of the four Reviews, \$7; for all four of the Reviews, \$10. Payments to be made in all cases in advance. Money current in the State where issued, shall be received at par.

CLIPPING.—A discount of 25 per cent. from the above prices will be allowed to clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood, or one of the Review, will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$10, and so on.

POSTAGE.—In all the principal cities and towns, these works will be delivered through agents, free of postage. When sent by mail, the postage to any part of the United States will be but twenty-four cents a year for "Blackwood," and but twelve cents a year for each of the Reviews.

Remittances and communications should always be addressed, post-paid, to the publishers.

HOE & CO'S PATENT CIRCULAR SAWS.

The subscribers manufacture from the best Cast Steel, CIRCULAR SAWS, from two to eighty inches in diameter. Their Saws are hardened and tempered, and are ground and finished by machinery designed expressly for the purpose, and are therefore much superior to those ground in the usual manner, as they are strengthened and stiffened by increasing them in thickness regularly from the cutting edge to the centre, consequently do not become heated or buckled, and produce a great saving in timber.

They also manufacture Cast Steel Mill, Pit and Cross-Cut SAWS, and Billet Webbs, of superior quality, all of which they have for sale, or they may be obtained of the principal hardware merchants throughout the United States and Canada.
