## The Weekly Messenger.

-We learn that the Pablio Sohools of this parish will elose in the first days of Jone. Thete will be several gradaates at this seesion, and it is posesible that Gorernor Blanchard and other distingaiehed gentlemen in the edacational department of the State will be present to confer the diplomess apon the gredaates. Thie will be one of the memorable ovents of the Bigh School, as this is the first time that graduates will be turned out of this sohool, and we are sure it will be made a most brilliant affair.

How to ward on Oid Age. The most succesaful way of wardive off the approach of old age is to matntain a vigorous digestion. This eas bo done by aating onfy food saited to your age and occupation, and when any diseorder of the stomseh appears take a doen of Chamberiain's 8tomaeh and Liver Tableta to correet it. If gon have a weak atomach or are troubled with Indiges-
Slon, yote will And these Tablets to be just what you need. For nalle by T. J. Labbe.
Employ Private Watchman. Some sixteen business houses from M. Rosenfield's to Lacoste Hardware Store have combined to seeure a private watchman for the protection of their groperty. Mentor Richard has been ongaged and a ayatem of time clocks will be used to assure prompt and faithinl service. The town is eo scattered and inclades so mach torri tory that protection amounts to very little, It has been saggested that the towa might reduce the day force and with private aube ecriptions augment the night force to afford some measare of protection againet fires as well as burglars. Insurance rates ate not af-tected.-Lafayatte Gazette.

Saved by Dynamite. Sometimes, a flaming city is saved by dynamitiog a space that fire can't eross. Sometimes, a cough hange on so long, you feel as it nothing but dynamite would cure it. 2. T. Gray, of Calhotan, Ga, writes: "My wife had a very aggravated cough, which kept her awake nighte. Two physioians could not help her; so she took Dt. King's New Discovery for Consumption, Coughs and Colds, which vesed her vough, gaver her sleep, and finally vured her." Strictly soientific eure for bronchi tis and LaGrippe. AtT. J.
