T. J. LABBE.

Eve on etiquette: "At a private house a gentleman permits a lady to precede him in entering and going up and down stairs; at a public place the escort goes before the lady he is escorting. At a theatre the gentleman usually precede a lady down the aisle and stand aside at the row of seats to allow her to pass him and take her seat. At a church a lady usually advances up the aisle before her escort." Eve may be right, but it does not seem proper for a lady to precede a gentleman at any place in going up stairs or climbing a ladder, and if we were a lady would not do it. — M. C. Review.

Got Off Cheap.

He may well think he has got off cheap, who, after having constipation or indigestion, is still able to perfectly restore his health. Nothing will do this but Dr. King's New Life Pills. A quick, pleasant, and certain cure for headache, constipation, etc. 25c at T. J. Labbe's drug store; guaranteed.

The Gibsland News wants a man who reaches the age of twenty-five years to marry and support a wife and settle down as a good citizen or lose his right of suffrage. We are of opinion that very few men who reaches the age of twenty-five years would be willing to form a life partnership with any woman simply to preserve his right of casting a ballot at elections under our present law, when his vote would be destroyed by the stuffing, the illegal counting, and the use of the fraudulent duplicate. The News had better suggest some way to increase the value of the right of suffrage, to purify our election laws and make the ballot worth something before trying to make it one of the conditions to promote matrimony.

Cured of Lame Back After 15 Years of Suffering.

"I had been troubled with lame back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gilliam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by T. L. Labbe.
