No. 31.

Accuracy and Reliability

in compounding are distinguishing features of our pharmacy. Physicians' prescriptions and family recipes are here carefully prepared from strictly pure, fresh ingredients. We keep on hand always a large and complete stock of everything in drugs, medicines, tinctures, acids, extracts, etc. Also a full and fine line of perfumes, toilet articles and druggist sundries. Prices always lower than elsewhere.

T. J. LABBE.

Mrs. Robert R. Taylor, of Tuskegee, Ala., a daughter of Mrs. Victor Roebon of this place, died at her home in Alabama last Friday at the age of 31 years. Her remains were brought here Sunday evening for burial. Mrs. Taylor was highly educated and was a member of one of the best and most respected of our colored people, and had married one of the Professors of the famous Tuskegee College of Alabama.

Chamberlain's Cough Remedy Acts on Nature's Plan.

The most successful medicines are those that aid nature. Chamberlain's Cough Remedy acts on this plan. Take it when you have a cold and it will allay the cough, relieve the lungs, aid expectoration, open the secretions and aid nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. It counteracts any tendency of a cold to result in pneumonia. Price, 25 cents. Large size, 50 cts. For sale by T. J. Labbe.

Yellow fever is a disease considered to last only a short time, five or six days the patient must be well or dead, but the New Iberian yellow fever patient has been sick nearly one month. Last Saturday's Iberian says: "The yellow fever patient still lingers. The early part of the week his fever returned—if current reports may be credited—and this higher temperature, in consequence of his prolonged illness, assumed the form of a septic fever. Hopes are entertained, however, of his recovery."

Chamberlain's Pain Balm.

This is a liniment, remarkable for its great power over pain. It quickly allays the excruciating pains of rheumatism and makes sleep and rest possible. For sale by T. J. Labbe.

The progressive euchre given last Sunday at the College Hall, by the ladies, for the benefit of the Convent of Mercy was a most pleasant affair, and those who were present enjoyed a pleasant evening, and at the same time helped a good cause. The attendance, however, was not as large as it should have been. It seems that our people are lacking that spirit that should appeal to them to help one another, for what ever may be the cause. It is necessary that the people all of them should respond and help make a success the effort of those of our people who interest themselves for one cause or another, it matters not what it is; we cannot be a progressive community unless we all help make the success of anything and everything which is undertaken by our people for any good cause.

The races last Sunday offered fine sport for the amateurs. The rain did not interfere to any extent, the track was a little damp but was not muddy. St. Martinville won all the races and our people who put out the cash to back their favorites made a good pull.

We have in this office Type-writing paper of all kinds, and all sizes, and we cut to any special size. Also carbon paper. If in need of anything in that line, let us know about it.
