## It Does The Business.

Mr. E. E. Chamberlain of Clinton, Maine, says of Bucklen's Arnica Salve. "I does the business; I have used it for piles and it cured them. Used it for chapped hands and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25c at Labbe's drug-store.

There was some talk some time ago of our young people organizing a Brass Band, but up to this time nothing was done. We have the material and the instruments; all we need is some one to take the lead and brings the boys together. A brass band is a necessity in a town and it is a good recreation and pastime for the boys.

—The Cypress Island Drainage Board will now begin to experience some trouble with the digging of the canal. Last week a dam had to be constructed to hold more water in the canal to float the boat higher in order to be able to put the dirt on the banks. This boat will have some trouble to dig the remaining part of the canal, which has to be so deep that the boat will not be able to unload on the banks.

## A Cure For Misery.

"I have a cure for the misery malaria poison produces," says R. M. James, of Louellen, S. C. "It's called Electric Bitters, and comes in 50 cent bottles. It breaks up a case of chills or a bilious attack in almost no time; and it puts yellow jaundice clean out of commission." This great tonic medicine and blood purifier gives quick relief in all stomach liver and kidney complaints and the misery of lame back. Sold under guarantee at T. J. Labbe drug-store.

Governor Sanders has made up his mind to have the law against gambling enforced in the Free State of Jefferson. The Governor may give orders from Baton Rouge, but he had better not get within the limits of Jefferson, for if he does, he might get in trouble too. The idea of the Governor trying to have the law to rule in Jefferson. The people of Louisiana are awaiting with much interest the trial of the offenders of the law in Jefferson.

Senator Foster, of Louisiana, is making an effort to secure an appropriation of \$250,000 to fight the cotton boll weevil.
