AGENT FOR

**FIRE INSURANCE**

AND FOR

**PENN MUTUAL LIFE INSURANCE.**

I represent only the best Companies. If you want to protect your property against fire, or want the best life policy, just let me know, and I will take pleasure in talking the matter with you.

Several of our citizens were out in the country Tuesday to interview the planters and ascertain if they could be interested in the refinery which it is proposed to build near St. Martinville, and it was found that every one was very much impressed with this move and will accept the proposition made to them, that they take stock in the Company to be paid out of the bonus offered them. The planters will receive the same price they are now getting for their cane, and the money paid to the railroad, will be left with the refinery to pay for their stock. They are only asked to contract for two years, as it is expected the shares taken by the planters in the Company will be paid in that time, as every ton of cane brought to this proposed mill, will represent a saving of at least 50 cts per ton. The plans must be completed in the next few days in order to have the refinery be ready for the crop of 1911.

### The Call Of The Blood

for purification, finds voice in pimples, boils, sallow complexion, a jaundiced look, moth patches and blotches on the skin,—all signs of liver trouble. But Dr. King's New Life Pills make rick red blood; give clear skin, rosy cheeks, fine complexion, health. Try them. 25c at T. J. Labbe drug-store.

We had lots of dust in this town during several days this week, particularly when we have the brisk south winds we generally have in the Spring, if every body who have the Water Works, and every body should have them on Main street, there is no reason why we should have any dust at all. We can easily control the dust nuisance on Main street if only our people will show a little will and sprinkle their fronts regularly. Let us all decide to do this and rid the town of the dust nuisance during this coming summer.

### Worse Than Bullets.

Bullets have often caused less suffering to soldiers than the eczema L. W. Harriman, Burlington, Me., got in the army, and suffered with, forty years. "But Bucklen's Arnica Salve cured me when all else failed," he writes. Greatest healer for Sores, Ulcers, Boils, Burns, Cuts, Wounds, Bruises and Piles. 25c at T. J. Labbe drug-store.

Mr. V. S. Jones, manager of the Vordenbauman Lumber Co's farm near St. Martinville, which is being made a model stock farm, has just received a fine jack which he offers to the service of the public. This was needed in this section as our planters are realizing the fact that buying mules at the present prices is much more than they are worth, as fine mules can be raised here for less than one hundred dollars. Let the planters commence at once to raise their own mules as they are now doing with their horses.
