Teachers Institute.

Last Saturday Teachers Institutes were held in St. Martinville and Breaux Bridge with interesting programs at each institute. State Conductor of State Institutes was here and addressed the teachers at Breaux Bridge and St. Martinville.

It is planned to have a grand rally day in Breaux Bridge this year. There will be various contests in scholarship, spelling, writing and arithmetic. School work in writing, drawing, basketry, construction and sewing will be placed on exhibit. An excursion will probably be run from St. Martinville to Breaux Bridge on that day.

The Call Of The Blood for purification, finds voice in pimples, boils, sallow complexion, a jaundiced look, moth patches and blotches on the skin.—all signs of liver trouble. But Dr. King's New Life Pills make rick red blood; give clear skin, rosy cheeks, fine complexion, health. Try them. 25c at T. J. Labbe drug-store.

A Fly Killer.

Two teaspoonfuls of formaldehyde in a pint of water, placed in plates or saucers throughout the house is said to be a good fly killer. Ten cents worth will last an ordinary family all the summer. It has no offensive smell, is fatal to disease organisms and is practically nonpoisonous except to insects. Now is the time to start killing flies.

Worse Than Bullets.

Bullets have often caused less suffering to soldiers than the eczema L. W. Harriman, Burlington, Me., got in the army, and suffered with, forty years. "But Bucklen's Arnica Salve cured me when all else failed," he writes. Greatest healer for Sores, Ulcers, Boils, Burns, Cuts, Wounds, Bruises and Piles. 25c at T. J. Labbe drug-store.

The pictures given at the moving picture entertainments by Manager Fournet this week of the school faculties St. Martinville and Breaux Bridge, the group of graduates for this session, some of our country schools, pretty and neat buildings, the Breaux Bridge New High School, the St. Martinville old High school building, Mr. J. B. Leverts picture the song of the pupils and the bright prospects for a grand and stately High School building for St. Martinville in the next six months, took the crowd and the applauses truly reflected the feeling of our people in favor of our High School, which will be a magnificent brick building, and on April 26th, when election day comes around, we believe we can safely say that not a vote will be recorded against the High School tax.

Ex-President Roosevelt, like ex-President Fairbank, refused to accept the conditions imposed for an audience with the Pope while in Rome. Roosevelt says no American can accept such conditions which would forbid them from addressing protestants in Rome if they choose to. He says Americans must remain free to do as they please as occasion arises.
