## You Can't Get Medicine Too Good

Good medicines are more necessary than good food. When you're strong and well a little poor food won't have any lasting bad effects, but when you're weak and sick a little poor medicine will work untold harm. Good medicines are the only kind we sell. We put the purest and freshest drugs into prescriptions. Our prices are right, too. We have an excellent dyspepsia cure, if you are suffering from any form of this common disease. **REXALL DYSPEPSIA TABLETS** assist the gastric juices, act as a gentle tonic, enable the body to derive all the nutriment from food and cure dyspepsia and indigestion permanently. Sold with the Rexall guarantee.

## FIRE OUT

Then comes the matter of INSURANCE. You get out your policy and note the Company in which you are insured. Certain questions should not arise to worry you at such a time.

You should not be worried by the question of whether you are insured in a company that dickers and delays over settlement.

You should not be worried over the question of whether the company can pay the claim. You should not be worried by the question of whether you have had enough protection to cover your loss.

To be insured in COMPANIES such as are represented in my agency eliminates the first two of these worries. By consulting me before taking out your policy, I will tell you the proper proportion of insurance to carry, and that eliminates the third.

The evident thing to do before the fire, in order to eliminate worry, is to be insured in the right kind of COMPANY.

INSIST ON THE BEST, IT IS THE CHEAPEST.

When her child is in danger a woman will risk her life to protect it. No great act of heroism or risk of life is necessary to protect a child from croup. Give Chamberlain's Cough Remedy and all danger is avoided. For sale by all druggists.

The people of Arnaudville want a refinery. They are in the same condition as many other sections, needing a modern refinery, but it is not an easy matter to induce capital in that line of industry, especially at this time when the tariff is being revised and the sugar industry threatened by adverse tariff legislation.

A piece of flannel dampened with Chamberlain's Liniment and bound on to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Sold by all druggists.

There is an effort being made in New Orleans to reduce the fire insurance rates, which the fire Marshal proved, as fixed by the famous State Rating Board is ruinous to the city and state. We trust that the new administration and legislature will throw overboard the State Rating Board, its stupid insurance laws and other boards created merely to give fat jobs to the politicians. Do away with all these grafting boards.

### Shocking Sounds

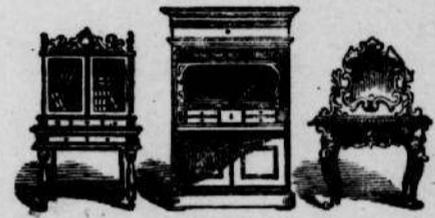

in the earth are sometimes heard before a terrible earthquake, that warn of the coming peril. Nature's warnings are kind. That dull pain or ache in the back warns you the Kidneys need attention if you would escape those dangerous maladies, dropsy, diabetes or bright's disease. Take Electric Bitters at once and see backache fly and all your best feeling return. "My son received great benefit from their use for kidney and bladder trouble," writes Peter Bondy, South Rockwood, Mich. "It is certainly a great kidney medicine." Try it. 50 cents at all druggists.
