DIED.

Friday morning Mr. Jos. Emile Sillan, at the age of 82 years 1 month and 11 days. He died at the home of his son, Dr. A. P. Sillan with whom he has been living for the last few years. Mr. Sillan leaves two sons here, Mr. George Sillan, Dr. A. P. Sillan, and one daughter, Mrs. S. Dababie of Paris, France.

He was buried at four o'clock Friday evening.

At one o'clock Saturday morning last the fire alarm was given, and on awoken, it was discovered that the fire, which was at the bakery of Mr. R. J. Guirard, was all aflame, there was no one at the bakery at the time, and when discovered, the fire had made such headway, that the building and contents were doomed to destruction. The fire department responded promptly, but the building being a frame one, was soon consumed. The loss was about six or seven hundred dollars with no insurance.

Miss Corinne Durand entertained last Saturday the New Five Hundred Club in a most charming manner. The first prize was won by Mrs. K. Schwartz, the consolation by Miss Jane Beyt, booby by Miss Edna Soulier. Misses Lane and Burkette were guests of the club.

CHILDREN'S COUGHS—CHILDREN'S COLDS BOTH ARE SERIOUS

When one of your little ones shows symptoms of an approaching Cold, give it Dr. Bell's Pine-Tar-Honey at once. It acts quickly, and prevents the Cold growing worse. Very healing—soothes the Lungs, loosens the mucous, strengthens the system. It's guaranteed. Only 25c. at your druggist. Buy a bottle today. Bucklen's Arnica Salve for Sores

Willie Tyler, a white man from Parks, who was accused of stealing a calf, pleaded guilty Monday, and was sentenced to a term of one year in the penitentiary. Deputy Sheriff Albert Daspit left with him Tuesday for Baton Rouge, to commence his term of sentence.

Colds Are Often Most Serious

Stop Possible Complications

The disregard of a Cold has often brought many a regret. The fact of Sneezing, Coughing, or a Fever should be warning enough that your system needs immediate attention. Certainly Loss of Sleep is most serious. It is a warning given by Nature. It is man's duty to himself to assist by doing his part. Dr. King's New Discovery is based on a scientific analysis of Colds. 50c at your druggist. Buy a bottle to-day.

Messrs. J. B. Fournet and sons who have rented the Vordenbaumen place, have tested the well which will be used for the irrigation of a rice crop and the well believed to be good.

It Really Does Relieve Rheumatism

Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, tender, swollen feeling and make the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the home—against Colds, Sore, and Swollen Joints, Lumbago, Sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief. Buy a bottle to-day.

We learn that Mr. L. C. Bealin and his brother, Mr. Auguste Bealin, will make a rice crop on the Vordenbaumen place. Mr. Paul Girouard, in the same section, will go into rice cultivation.

\$100 REWARD \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure.

We do not hear anything more from the Southwestern Traction and Power Co., concerning the extension of the line this way. It does not look as if they were serious in their recent proposition.

STOP THE CHILD'S COLDS THEY OFTEN RESULT SERIOUSLY

Cold, Croup and Whooping Cough are children's ailments which need immediate attention. Don't take the risk—you don't have to. Dr. King's New Discovery checks the Colds, soothes the Cough, allays the Inflammation, kills the Germs and allows Nature to do her work. 50c at your Druggist. Buy a bottle to-day.
