Woodmen Unveil Monument.

Sunday evening last, at six o'clock the Woodmen of the World, headed by the St. Martinville Brass Band, proceeded from their hall to the Cemetery to unveil the monument of their deceased brother, Henry B. Bienvenu, and place flowers upon the graves of their other departed members.

Miss Lucille Labbe recited a pretty poem and Representative Emile Vuillemot and Judge James Simon made short addresses on the subject of fraternity.

It is a beautiful custom with the Woodmen to once a year visit the graves of their departed members and place flowers upon their graves

A Laxative Blood Cleanser

Don't put off taking a treatment of Po-Do-Lax. Your system needs a cleanser and tonic—nothing like Po-Do-Lax to purify the blood, gently move the bowels and stimulate the liver to healthy action. The first dose releases the accumulated poisons. It is a laxative tonic for young, adult and aged. Its mild non griping action commends it to delicate women. Guaranteed—a trial will convince you. Get a bottle to-day.

Compulsory Dipping.

The Legislature now in session has passed a compulsory dipping law. Those parishes which were the first to dip their cattle and got rid of the tick, it is the parishes that are slow to build vats that have to be forced to it. When our vat was built here last year by a few of our people who knew the benefit of dipping dipped only their own stock, the people in general not believing in the dip, but this year more than a thousand head have been dipped and the vat is busy every day with new stock coming.

Let everybody work for the community's good, whether they get anything out of it or not.

Bayou Mercier Being Dredged.

—We are informed by Mr. A. A. Waterhouse who has large timber contracts in the Catahoula section, that he is now having Bayou Mercier dredged up to Catahoula lake, which work will open up water navigation with Plaquemine and the swamps all the year. This work ought to bring more of the swamping interest to the lake and St. Martinville.
