NUMBER 22

WADE O. MARTIN FOR CONGRESSMAN.

The Democratic Convention in Morgan City Sunday selected Wade O. Martin, present Sheriff of St. Martin parish, as the Democratic candidate for Congressman in the Third District which is now represented by Mr. W. P. Martin, a Progressive.

At the last Congressional election St. Martin was the only parish in the district that was carried by the Democrats by a small majority. Mr. Martin was assured by the delegates present, that the Democrats would again reclaim the "old Third" and keep it in the Democratic column.

To Join United States Navy

Mr. Andrew Bienvenu left Sunday for Brooklyn, New York to join the United States Navy, having already passed the preliminary examination in New Orleans. Mr. Bienvenu is a fine young man of splendid character; he will make a good soldier.

Why Endure Summer Colds?

It isn't necessary to have a stuffed head, running nose. To cough your head off as it were. All you need do is to use Dr. Bell's Pine-Tar-Honey. The soothing and healing balsams open the clogged air passages and in a short time you get relief and start on the road to recovery. Your nose stops running, you cough less and you know you are getting better. Get a bottle, use as directed. Keep what is left as a cough and cold insurance.

Messrs. Sam and Charles Capri brought a sample of sugar cane to this office this week, which is of a remarkable size for the season. The Capritos have five acres of stubbles that expose three feet of red joints and the leaves reach a height of nearly ten feet.

The proof of the pudding is in the amount left over.

General Levert Offers Prizes to School Children.

Supt. Chavez has just received a communication from Gen. J. B. Levert in which he says that he will donate two medals to students of the St. Martinville high school this session, one for athletics and one for scholarship, and that he will also offer a medal to the pupil at the Levert School who has the best attendance during the year.

Gen. Levert has proven himself the friend of our schools on many an occasion. In the past, and he continues to manifest a lively interest in the welfare of our children. We wish to assure him of our appreciation of his recent action.

Look Good—Feel Good

No one can either feel good, nor look good while suffering from constipation. Get rid of that tired, draggy, lifeless feeling by a treatment of Dr. King's New Life Pills. Buy a box to-day, take one or two pills to night. In the morning that stuffed, dull feeling is gone and you feel better at once. 25c at your druggist.

RELIGIOUS CEREMONY.

There will be a pretty religious ceremony at the Catholic church, at five o'clock tomorrow evening, which will be the blessing of the statue of St. Ann, which is a gift to the church by the late Mrs. Robert Martin.

The ceremony will be a pretty and impressive one, several priests will be present and the sermon on this occasion will be preached by Father Roguet of Youngville.

Misses Ruth Martin and Evelyn Fournet returned home last Saturday after spending several weeks in Little Rock guests of Mrs. L. C. Bouchard. Miss Bertha Lathrop of New Orleans came with them and will be here several days guest of Miss Ruth Martin.

INFANTILE PARALYSIS

(POLIOMYELITIS)

An acute communicable disease caused by minute germs.

Usually begins with symptoms of cold in the head, fever, restlessness.

Mortality often not high, but permanent paralysis of one or more limbs very frequent.

Discharges from mouth, nose, throat, and bowels, sources of infection.

Healthy persons may be carriers of the disease and transmit it to others.

Animals with distemper possible sources of danger.

Flies may carry it on their feet.

PREVENTION.

The public should be warned when disease is prevalent to pay special attention to the hygienic surroundings of children along the following lines:

1. Avoid public gatherings of children, especially crowded rooms, including picture shows, parties, picnics, etc.

2. Children should not visit houses where other children are ill, nor should grown people in contact with sick children kiss or handle other people's children.

3. Flies should be prevented from coming in contact with hands, face, or food of children. Flies should be excluded from the house as far as possible.

4. All measures to diminish the prevalence of flies should be carried out.

5. Sick children, especially those with colds and fever, should be carefully examined by physician.

6. Patients suffering from anything resembling poliomyelitis should be protected from flies; nose, throat and bowel discharges should be disinfected or burned, and the members of the household should avoid contact with crowds and with other people's children.

7. Personal cleanliness, hygienic and sanitary conditions of premises and public places should be insisted upon.

Be careful young man, what you do. Remember you are launching out on life's greatest road. Follow the right path and do not let any ill doings beguile you, or you will soon find yourself on the wrong trail, doing ill deeds that will cling to your character as discredit all your life. It is easy to get off the right road, but it is hard sometimes to find it again. The world is ever in want of honorable young men. They are welcome at every door.—La. Democrat.
