Church Fair a Success

The Church Fair last Sunday was a success in every way, the weather was ideal, the people well disposed to spend a good day, the committees having fulfilled their parts well, and every thing was in the best to accommodate and entertain the large crowd that was on the ground from the opening to the closing.

The splendid Broussard Brass Band and the Isle Labbe band reinforced by some members from Loreauville furnished fine music during the day and night and we must say they were liberal with their music and the people of St. Martinville and the management of the fair well appreciated the music so gracefully offered without compensation.

The fancy works donated for this fair made a fine exhibit of art and the wheels that disposed of these fine pieces were liberally patronized as well as all other attraction and tables, and we must say everything served was the best, the cooking was PAR EXCELLANCE and the service the best.

At night the gumbo and euchre were well patronized and the success of this fair surpassed those given in previous years. The gross amount realized was \$1070.

Forget Your Aches

Stiff knees, aching limbs, lame back make life a burden. If you suffer from rheumatism, gout, lumbago, neuralgia, get a bottle of Sloan's Liniment, the universal remedy for pain. Easy to apply; it penetrates without rubbing and soothes the tender flesh. Cleaner and more effective than mussy ointments or poultices. For strains or sprains, sore muscles or wrenched ligaments resulting from strenuous exercise, Sloan's Liniment gives quick relief. Keep it on hand for emergencies. At your druggist, 25c.

Foot Ball Game.

There was a game of foot ball in Jeanerette last Saturday between the Jeanerette and St. Martinville High School teams, which resulted in a tie. The boys on both side played hard to win, but the best they could do was to prevent the other side from winning. Another game will be played here soon, when it is expected that our boys will do up Jeanerette.

Clean Bad Skin From Within

Pimples, muddy, complexions are due to impurities in the blood. Clear up the skin by taking Dr. King's New Life Pills. Their mild laxative qualities remove the poisons from the system and brighten the eye. A full, free, non-griping bowel movement in the morning is the reward of a dose of Dr. King's New Life Pills the night before. At your druggist, 25c.

The sugar mills are all about ready and the cane growers are all getting things ready to commence operation the coming week and next. The cane crop is large and some of the mills will have to operate more than two months. Fall planting has been general during the past few days and windrowing for seed is now going on rapidly, though some planters think the ground dry for windrowing.

It is hard to work, but harder to dodge work and remain respectable.
