NUMBER 39

When Income Is Enjoyed.

Many farmers are in better financial standing this year than for many years, as a result of better prices for farm products and the fact that they have raised more for home consumption and for feed than usual. This is fortunate for the country, for doubtless it will mean better homes, more conveniences in the home and greater investment in education.

Our greatest need is for more comfortable homes and for better home life as a result of those conveniences that conserve human health and human strength. Before we can make great strides in progress we must have greater capacity for work, both mentally and physically. Most of all do many need a

chance to improve their mental capacity. To think logically and reason correctly, people must have their homes well lighted; comfortable rooms in which to rest or study; foods that give the greatest efficiency.

No better investment can be made than in home comforts; no greater pleasure is possible than that found in the country home where the members of the family are cheerful, hopeful and contented. When such conditions exist, farm work will be easy, home tasks will be pleasant and the income from the farm will be enjoyed.—Texas Farm and Ranch.

A grand vaudeville show will be given by the colored people of Cade at the Golden Rule hall of that place on Saturday the 18th.

Confirmation.

Bishop Laval of New Orleans gave the Holy Sacrament of Confirmation here Sunday to a class of over six hundred children.

Due to it being four years that the Holy Sacrament was not given in St. Martinville, the class was extra large.

The ceremony took place at 2:30 o'clock in the evening, opening by a procession from the Presbytery to the Church, headed by the Bishop. A sermon was made before administering the Holy Sacrament to the children.

A large number of people from the country and town attended the impressive ceremony.

Clean Bad Skin From Within

Pimples, muddy, complexions are due to impurities in the blood. Clear up the skin by taking Dr. King's New Life Pills. Their mild laxative qualities remove the poisons from the system and brighten the eye. A full, free, non-gripping bowel movement in the morning is the reward of a dose of Dr. King's New Life Pills the night before. At your druggist, 25c.

Foot Ball.

The St. Martinville High School foot ball team was defeated here Sunday in a very slow game, due to the absence of Bienvenu at center, which greatly handicapped the local boys.

The score was New Iberia 38, St. Martinville 0.

The feature of the game was the offensive work of Brigant and Kock of New Iberia and of Fourcet and Goulas of St. Martinville.

The St. Martinville boys are going to Abbeville today to play the team of that town.

Stop The First Cold

A cold does not get well of itself. The process of wearing out a cold wears you out, and your cough becomes serious if neglected. Hacking coughs drain the energy and sad the vitality. For 47 years the happy combination of soothing antiseptic balsams in Dr. King's New Discovery has healed coughs and relieved congestion. Young and old can testify to the effectiveness of Dr. King's New Discovery for coughs and colds. Buy a bottle today at your druggist, 50c.

Farm And Live Stock Show.

New Orleans held a farm and live stock show this week, the fair drew large numbers of people, and the success of the enterprise is assured.

The visitors were surprised at the size and completeness of the numerous exhibits in agricultural and farming development, as well as the live stock departments. The display made by the people of New Orleans is a guarantee that the show will be held annually.

This is the first time the city has had a chance to see the best live stock, not only of this section, but of the entire United States, the finest products of the farmers of Louisiana.
