NUMBER 40

No Damage Yet Reported.

We have not yet heard of any damage from the freeze, although the cane is severely affected, but as the cane was rapidly put down in windrow, it is not believed that any damage will result from any windrowed cane. There are yet some pieces standing and it is considered that if the weather continues cool there will be very little damage if any.

"The Princess Pat"

"The Princess Pat, the Cort Theatre, New York production of the Henry Blossom-Victor Herbert comic opera success, will be the attraction at the Elks Theatre, New Iberia, Sunday November 26, Matinee and Night.

When this latest triumph of the celebrated collaborators received its metropolitan hearing it scored unqualified approval and was stamped the best musical offering of the year. A Victor Herbert's score can always be depended upon for thorough enjoyment, while Mr. Blossom's book and lyrics have never yet failed to fully fill all requirements.

Among the twenty popular numbers supplied by Mr. Herbert are "Allies", "Make Him Guess", "Love is Best of All", "For Better and For Worse", "I Wish I was in Island in an Ocean of Girls", "Flirting", "In a Little World for Two" and "Two Laughing Irish Eyes".

Sloan's Liniment For Neuralgia Aches

The dull pains of neuralgia is quickly relieved by Sloan's Liniment, the universal remedy for pain. Easy to apply; it quickly penetrates without rubbing and soothes the sore muscles. Cleaner and more promptly effective than musky plasters or ointments; does not stain the skin or clog the pores. For stiff muscles, chronic rheumatism, gout, lumbago, sprains and strains it gives quick relief. Sloan's Liniment reduces the pain and inflammation in insect bites, bruises, bumps and other minor injuries to children. Get a bottle today at your druggist, 25c.

The manufacture of alcohol from bagasse is the latest industry to be established in Louisiana.

Auto Accident.

Sunday morning when young Oniel Suard was returning home from town with another young companion in a Ford Car, he ran in the deep ditch south of the Canal bridge and demolished the car. Both young men escaped without injury which is almost incredible after looking at the condition of the wrecked car.

We can see no reason for an accident of this kind on such good road except careless speeding.

Foot Ball.

Contributed.

Last Saturday's result on the Abbeville gridiron showed an exceedingly fast game when the St. Martinville High defeated the Abbeville High to the sweet tune of 7 to 13. The St. Martinville team went to Abbeville in full force with the determination to scalp Abbeville. The Abbeville boys put up a hard fight but at the end of the fourth quarter the St. Martinville boys were victors. The features of the game were: a 60 yard run by H. Fournet when he intercepted a forward pass from Abbeville, and made a touch-down; A. Landry and W. Berard's long end runs; J. Mayhall kicking goal; L. Martin going through center for three yards and making touch-down. The team as a whole did exceedingly well in tackling and breaking interference.

The St. Martinville boys will play Abbeville again here Friday Nov. 24, 1916. The Abbeville expect to wallop St. Martinville and the St. Martinville boys expect to smother Abbeville, therefore a good fast game is expected.

The St. Martinville High will close their foot-ball season in Morgan City on Turkey Day.

Bishop Sessum of New Orleans was here Monday and gave confirmation to a class here. He was accompanied by Rev. Diggs of New Iberia.
