MARRIED.

OLIVIER - HEBERT.

Mr. Willie Olivier of St. Martinville was married to Miss Marie Hebert of Jeanerette Tuesday evening, after the marriage ceremony a reception was given for the relatives and a few friends. Mr. and Mrs. Olivier came to St. Martinville the same day, in automobile and will make this town their home.

MOSS - LAMPEREZ.

Tuesday evening Mr. Vergil Moss of Erath was married to Miss Agnes Lamperez of St. Martinville at the home of the bride's parents, Mr. and Mrs. H. J. Fournet, by Father Peeters.

Miss Hilda Burdin was maid of honor and Mr. Charles Boudreaux of Erath was best-man. Mrs. J. J. Burdin played the wedding march as the bridal party entered the parlor and Mr. Rueben Bienvenu sang a beautiful song while the contracting parties were signing the register.

A reception was held immediately after the marriage ceremony when Mr. and Mrs. Moss received the best congratulations and wishes of relatives and friends for a long life of happiness and prosperity. The happy couple left the same night on a honey moon trip after which they will return to Erath which place will be their home.

Get Ready.

Now is the time that your hens will moult or shed their feathers. This process is rather slow and Nature should be assisted. -- B. A. Thomas' Poultry Remedy will help your hens to moult causing them to shed earlier and be ready to lay when eggs are highest in the winter. If this remedy does make good, we will. Bonin Gro. Co.

Mr. John Rausch, representing the Creole Pepper Co., succeeding the New Orleans Import Co., arrived here this week to handle the business of the Company. Mr. Rausch will take care of all contracts made with the New Orleans Import Co., and is making all arrangements necessary for the prompt moving of the pepper crop which will soon be coming in. The drouth has injured this, like all other crops, but as the acreage in pepper is large, a large amount of pepper is expected to come in.

DIED.

Tuesday morning at one o'clock Miss Marie Clara Guirard died at the age of 35 years 8 months and 16 days, she was buried Tuesday evening at 6 o'clock and a large number of relatives and friends followed her remains to the grave.

We have seen a sample of sugar cane coming from a patch of about two acres from Mr. Jos. Peschier which is as fine as we have seen this season, having eight long red joints.

Canning Outfit Installed

Prof. Frank T. Guilbeau, of the Breaux Bridge High School, through the cordial support given him by Supt. F. O. Chavez, has put up, for the Demonstration Farm a small canning outfit.

It consists of one small boiler, a scalding basin, two cookers and capping and tipping irons. It has a capacity of four to eight hundred cans per day. The whole outfit can be put down and loaded in a small wagon, ready to move within one hour.

This outfit should be put up by small club of farmers, say five or six, and vegetables to last the whole year round could be put up in cans at a minimum cost. This would help, materially, to reduce The High Cost Of Living. The plant could be erected at a cost well below one hundred dollars.

Professor Guilbeau has invited all Club Members, as well as any farmer having any vegetables to can to bring their stuff to the plant and they will be put up at actual cost. Of course the parties bringing the stuff will have to help prepare it for canning.

A liberal policy, toward the Farm, has been adopted by the School Board, and Superintendent, which will very materially assist it in giving the practical agricultural education so much needed in our Parish.

The public is cordially invited to be present at all canning demonstrations.
