

All Woodsmen, Attention!

Fellow-workers and all slaves, stay away from Sweet-Home, La., Front. Local 275 on strike. The strike was called to keep one of the Company's old tricks off, trying to break the Solidarity and driving the workers.

But, as always, the I. W. W. got wise and beat them to it. The job is tied up right, not a man working. So all workers help keep it so by staying away until we drive the boss into submission, and make another step toward the GOLD.

Stand together, MEN, in ONE BIG UNION and prepare for the GENERAL STRIKE of all Southern Woodsmen and Sawmill Workers!

Yours for victory,
PRESS COMMITTEE, L. U. 275

OLSON IN DISTRESS.

To all locals—Fellow-worker John Olson, who, on his way back from the eighth annual convention of the I. W. W., was run over by a car and lost his right leg, is with us again, after having spent two months in the Lutheran Hospital at La Crosse, Wis.

In view of the fact that the expenses of his treatment run very high and only a few locals have responded so far with a contribution, we feel it incumbent on us to call once more the attention of all rebels to John Olson's case. The locals of Minneapolis will try and get Fellow-worker Olson an artificial leg, but we need the co-operation of all I. W. W. rebels to meet the expenses involved. This Fellow-worker has been and is one of the best fighters in the movement and we cannot afford to neglect him in his hour of need.

Send all contributions to John Olson, 232 Cedar Street, Minneapolis, Minn.

Robbed Homesteaders, Attention!

Many complaints have, from time to time, reached THE VOICE from HOMESTEADERS who have been ROBBED of their HOMESTEADS by Railroads and Lumber Companies. Every complainant has asserted that it has been absolutely impossible for the HOMESTEADER to get any aid or relief from the Federal and State officers in charge of the Land offices, and you HOMESTEADERS never will get ACTION until YOU UNITE. To this end THE VOICE has a scheme in view. If you are a robbed Homesteader and want to try and help put it through let us hear from you AT ONCE with a clear statement in as FEW words as possible stating when you entered your Homestead, when and by what officer it was refused and when and by what Railroad or Lumber Company you were disposed. Do not send us whole reams of official papers for US to dig information out for YOU. Arrange the information yourself and hold the Official Papers until they are called for. Put your statement on typewriter if possible, or have it done. One of the ablest lawyers in the State, a Red Socialist, will advise with us in the matter. Get busy! Boost THE VOICE and THE VOICE will be the greatest power in the South to redeem it from slavery and tenantry and wholesale robbery!

Yours in the fight for freedom.

COVINGTON HALL.

Walking along the railroad track the other day, I passed a section gang, and gave each one of them a copy of The Voice. The track at that place is straight for four miles. After walking about 40 minutes I looked back, when lo and behold! the slaves were standing in the middle of the track reading.

In this instance, The Voice caused a 40 minute strike which, of course, reduced profits some. I never before knew that our paper could be used as a weapon of the Saboteur.

"THOUGHTS OF A FOOL."

This is another great book I bet YOU have not read. Saith the Fool: "There were swords and bludgeons. Caps and gowns and books. Reformers, Social Settlements. Successful Business Men, Christian Scientists, and prostitutes. Virtuous women (no woman, virtuous or otherwise, ort to read this book) corsets, clubs, law and order, Bibles, and crucifixes. And all these made up the monster, Prejudice. I realized that I was now alone. I heard as from a thousand raucous throats a great cry, addressed, I knew, to me: 'Thou fool: thou art ostracized.' Laugh with this wise Fool at all the sacred things of Bourgeoisdom. Send us ONE DOLLAR and we will send you a copy of the book and THE VOICE for 20 weeks. You will never regret it, neither will your girl if you make her a present of a copy.

I. W. W. IN A NUTSHELL.

ONE BIG UNION is a simple proposition. It means all workers in a given shop in one shop branch. It means all workers in a given industry of a locality in one Local Industrial Union. It means all workers in a given industry throughout the nation in one National Industrial Union. It means all workers of all national industrial unions of all industries in ONE BIG UNION OF THE WORKING CLASS, with International affiliations. Are YOU in?

GET BUSY!

Begin Organizing NOW and make a report each month of members in good standing at each Local and the vote of all UNION and NON-UNION workers, white and colored, native born or foreign in favor of these demands, and a GENERAL STRIKE to enforce them. DOWN WITH PEONAGE!

All local Secretaries, get busy at once. Show the demands to all UNION and NON-UNION workers in the Lumber Industry. Talk the PHILOSOPHY and the POWER of the ONE BIG UNION OF FOREST AND LUMBER WORKERS. Get to work at once on the job where you work. Organize the unorganized and begin agitating on the EIGHT HOUR WORK DAY and the above WAGE SCALE. The question is a GENERAL QUESTION: NO LOCAL STRIKE WANTED.

HOW TO ORGANIZE.

Twenty members joining at any given place can get charter and supplies for a Local Union. You who read this where there is no Local Union where you are working, be the FIRST to begin agitating among the workers and get twenty or more wage workers to make application for charter and supplies for a Local Union.

A 10c. PAMPHLET

THE PREAMBLE.

The working class and the employing class have nothing in common. There can be no peace so long as hunger and want are found among millions of working people, and the few, who make up the employing class, have all the good things of life.

Between these two classes a struggle must go on until the workers of the world organize as a class, take possession of the earth and the machinery of production, and abolish the wage system.

We find that the centering of the management of industries into fewer and fewer hands makes the trade unions unable to cope with the ever-growing power of the employing class. The trade unions foster a state of affairs which allows one set of workers to be pitted against another set of workers in the same industry, thereby helping defeat one another in wage wars. Moreover, the trade unions aid in employing class to mislead the workers into the belief that the working class have interests in common with their employers.

These conditions can be changed and the interest of the working class upheld only by an organization formed in such a way that all its members in any one industry, or in all industries, if necessary, cease work whenever a strike or lockout is on in any department thereof, thus making an injury to one an injury to all.

Instead of the conservative motto: "A fair day's wage for a fair day's work," we must inscribe on our banner the revolutionary watchword: "Abolition of the wage system."

It is the historic mission of the working class to do away with capitalism. The army of production must be organized, not only for the everyday struggle with capitalists, but also to carry on production when capitalism shall have been overthrown. By organizing industrially we are forming the structure of the new society within the shell of the old.
