VOLUME I "MIGHT IS RIGHT" NEW ORLEANS, LOUISIANA, THURSDAY, JUNE 19, 1913 "TRUTH CONQUERS" NUMBER 24

"Is Mr. Ellis Running This City?"

That certainly was blasphemous lese majeste and a dangerously unconstitutional question to ask with that lion loose in the city.

The strike was declared on June 2, and extended from Boston, Mass. to New Orleans, La., Colon and Panama, C. A., and the island of Jamaica.

#### THE "RIOT."

The strike was peaceful and orderly up to June 11. On that date as the pickets of the United Unions approached the S. S. Heredia they were fired on, the boys say, either by First Mate McBride of the Heredia or Captain Wm. M. Rose, wharf superintendent of
