Good Crop Prospects.

It gives us much pleasure to note that from everywhere comes the report of good crops of both cotton and corn, which has caused a spirit of good feeling and encouraging prospects to prevail. The impression now is that if these crops can be harvested and anything like fair prices are gotten for them, much of the financial distress will be relieved. It is to be hoped that things will work out that way.

When you want a suit made to order go to A. Zorn, the popular merchant tailor.

Scottsville, Texas. The Scottsville Annual Holiness Camp-meeting will begin, (the Lord favoring), on the evening of August the 7th and continue ten days.

Our preaching is true to our standards and strictly on the Wesleyan line of entire sanctification in this life, as being subsequent to regeneration and receivable by faith alone.

We are trying to make our meeting self-sustaining and our accommodations will be amply sufficient for all who may come. We expect to furnish tents and cots to all desiring them. Our boarding-house management will be largely extended and placed in competent hands at easy rates.

We are expecting the best meeting we have ever had and ask the prayers of every Christian.

A heartfelt invitation is extended to preachers and people of all denominations. Let everybody come.

For any further information apply to the pastor, F. J. Browning of Marshall, Texas, or to A. B. Waskom, Jonesville, Texas. A. B. WASKOM, Secretary.

A reputable merchant cannot afford to urge and guarantee a worthless article. Plantation Chill Cure is sold and guaranteed by F. F. ROBINSON and W. A. HUEY, Ash Point.

Go and examine Zorn's samples; he has a fine assortment to select from.

Base Ball.

An interesting game of base ball was played at the park Thursday, between the Cotton Street Sluggers and Fairfield Blues, resulting in a victory for the former by a score of 23 to 4. Master Garnet Billiu was umpire, and while Master Joe Leman kept the score.

Have you tried Plantation Liver Pills for habitual constipation? They are perfectly splendid and a sure cure. Sold by F. F. ROBINSON and W. A. HUEY, Ash Point.

For neat job work at close figures call at The Progress office.

When you wear a suit made by Zorn's experienced workmen you will never wear another ready-made suit.

State meeting of Y. P. S. C. E. at Waco, Tex., May 29th to 31st. For this occasion the Texas and Pacific will sell round trip tickets May 28th and 29th, limited for return June 1st, at rate of one fare for the round trip.

THE DIAMOND DUSTER SAYS

That the games with Marshall were exceedingly disappointing, and a repetition of same will do ball a great deal of injury here.

That the price charged for admission, 50 cents for gentlemen, 25 cents for ladies, certainly entitles those who attend, to ice water.

That Shreveport needs a nine of competent players, if she expects to entertain an audience against good teams.

That favoritism, unsupported by good material, will destroy interest in base ball, and our management would do well to examine themselves carefully along this line.

That the base ball management should see to it that the one who has the privilege to sell lemonade on the grounds, sometimes puts a little sugar and lemon in the water.

Sales of Plantation Chill cure exceed all other chill preparations together. Every bottle guaranteed. Try it! Sold by F. F. ROBINSON and W. A. HUEY, Ash Point.

No good acts which the Legislature may pass, no not a thousand of them, will be acceptable to the people, unless an honest election law be one of them. We want this in preference to all others, and to their exclusion if necessary.
