

The Greatest of all Houses in North Louisiana

A HOUSE that first inaugurated the method of "The best possible values at the least possible prices," twenty-three years ago, still leads, and will continue to do so. Imitators are plentiful in all things in this life, from the pulpit to the street fakir. All have their imitators, but when you investigate intelligently you can always discern the best metal.

Popular With the Republicans.

The old reliable Texas & Pacific Railway will be the "Popular Route" for the great National Republican Convention at St. Louis, commencing June 16th. No effort will be spared to provide for the comfort of all who use this line. Special trains will be run, with elegant day coaches and chair cars, and Pullman palace sleepers, and you will be wise to send in your name now for necessary accommodations, as the attendance promises to be the largest for any convention yet held.

Tickets will be sold via the Texas & Pacific Railway at the rate one lowest limited first-class fare for the round trip on June 13th, 14th and 15th, good until June 21st 1896.

For tickets, sleeping car accommodations, or any further information, call on nearest Texas & Pacific agent, or Gaston Meslier, G. P. & T. A., Dallas, Tex.

POPULAR WITH 'EM ALL.

Democrats, Republicans and Populists — "All Same" With the Kansas City, Shreveport and Gulf Railway.

If you are going to the Republican convention at St. Louis or to the Democratic convention at Chicago, you should bear in mind that the time via the Kansas City, Shreveport and Gulf is exactly two hours and ten minutes shorter than by any other road leaving Shreveport. Rates always as low as the lowest. For the St. Louis convention tickets will be sold at rate of one lowest limited first-class fare for the round trip on June 8, 9, 13, 14 and 15, good until June 21, 1896. Don't forget that this is the only road in the State that has solid vestibule trains.

You will take the Louisiana Lon, of course.

For further information call on or write to M. L. Scovell, General Agent, Shreveport, La.; or W. A. Williams, General Manager, Texarkana, Tex.

SOMETHING GOOD TO EAT.

Nothing is more conducive to public health; nothing will more speedily put one in a pleasant humor any make him good natured, public spirited and charitable than a good, square meal. This is the reason that all who board with Frank Serwich wear such a jovial countenance, and are always ripe for fun. Serwich's restaurant and Ladies' Dining Parlors are very popular resorts in Shreveport.

About Roofs.

I am still in the city and will continue to look after all roofs that are faulty or leaking. My point is a sure cure for a leaking roof or rotting shingles. All work done by me is guaranteed. I am well known here, have done considerable work but want to do more. W. B. WEAVER.

PURE WATER

Is necessary to insure good health. Have your cisterns and wells cleaned of all animal and other fever germs. This can be done by Mr. Charles Stoe with the

Universal Cistern and Well Purifier

With the aid of chemicals or emulsifying either well or cistern. Try it. It is a success as numbers of Shreveport citizens will testify. See Mr. Stoe at No. 1155 Texas avenue, or phone him over home or pair's line, No. 291.
