THE PROGRESS.

SEMI-WEEKLY.

SHREVEPORT, LA., SEPT 10, 1896.

Our Local Man.

The Progress takes pleasure in introducing to its patrons and the public, Mr. S. T. Abbott, who will be the local news-gatherer and general solicitor for our paper. Mr. Abbott is an experienced reporter, and as it is our aim to give the very best paper possible, we would deem it a great favor if our friends will give him all the assistance they can in his rounds and endeavors to nose out the happenings of the times.

Hon. John Pickett.

In this issue of The Progress will be found the advertisement of Hon. John Pickett, who has engaged in the general commission business. As will be seen by his card he will give special attention to consignments of cotton and western produce.

There is scarcely a better known man in the State than Mr. John Pickett, whose most successful career as State Treasurer, closed with the present administration. Truly a man of the people, able, conscientious and brave, he has endeared himself to the masses everywhere, and the great army of toilers generally, by his manly work in their interest and chivalrous defense against the assaults of scheming politicians and exposure of plutocrats who sought to extort from the wage earners the fruits of his hard-earned toil.

Successful as an official he will be so as a business man, and those who intrust him with their interests will make no mistake. Promptness, business dispatch, methodical and careful, he will make it rebound to the interest of all who place their business in his hands.

His office is on the corner of Crockett and Spring streets where he will always be found during business hours.

Hodges' "Sample Store," 207 Texas street, will save you from \$2 to \$5 on a nice suit.

A. Zorn, the popular merchant tailor, has just received a full line of suitings, pants goods, and latest up-to-date samples, and invites the public to call and examine the same. Fall and winter suits are ever offered before. 208 Milam street.

The Progress will do your job printing equal to lithographing and at prices never before offered to the public.

Genial Mack Huckaby was in the city last Friday and called in to give the force's hands a shake.

Mr. Herman Herold is home again after his regular Summer trip abroad.

Our old friend, Mr. B. H. Bickham, was in to see us last week.

BARBECUE AT BLANCHARD.

The Good People of Ward Three Say So,

And The Progress Predicts a Good Time For Them All.

All who love enjoyable outings and who know a good thing when they see it, or even hear of it, will be glad to learn that the good people of Ward Three, Caddo parish, have settled on a barbecue at Blanchard on Wednesday, September 16, and everybody is invited.

How do we know this? and by what authority do we make this announcement? Why by this note sent to our office:

"To The Progress: Please announce in your paper that there will be a barbecue and picnic at Blanchard, La., on the 16th of September, and everybody is invited."

This means lots of fun for some folks, a jolly good time for all who attend, and if this scribbler is not somewhere else, he will be "sartin to be thar, and much obleeged to all."

Mr. C. E. Beatty, of Natchez, Miss., passed through the city last Sunday en route to Texas mounted on a bicycle. Mr. Beatty is not only a good rider, but a genial conversant when asked the conditions of the portion of country he traveled over, he said: "On my way from Natchez to Harrisonburg, La., I found the marked effects of the drouth. Both cotton and corn was badly damaged with the exception of a few farms where the land is low and wet. Between Harrisonburg, and Alto, La., found the woods on fire and the country very dry and hot. The earth seemed so be at almost a parching heat. When I reached Winnsfield the condition of crops and the people in general were in a better condition throughout. I found the people everywhere I stopped to be very courteous and hospitable. And all seemed to have plenty to eat regardless of both the drouth and hard times."

Mr. Beatty left Sunday evening for Paris, and other cities in North Texas.

The editor will probably be away this week and can't read proof. And between his bad manuscript and the typo—well he will be lucky if he be allowed to explain for something he didn't say, but the cold type said he did.

The Progress takes pleasure in noting the return of Mr. Roland Williamson, one of the most efficient and courteous attaches of our postoffice. He has been absent on a trip of recreation with friends at Frerison's Mill.

If the devil is to pay this week be not alarmed. It don't cost much and the little fellow will be made happy thereby.

Hodges' "Sample Store" is the place to buy your shoes. 507 Texas street.

P. P. P. BRINGS HELP TO ALL!
LIPPMAN'S GREAT REMEDY

Superior To All Sarsaparillas.

Down in Georgia, over fifty years ago, a marvelous medicine was discovered. It was what is now known as P. P. P., (Lippman's Great Remedy), and its fame and reputation has been growing with the years.

For Rheumatism, Blood Poisoning, Pain in the side, wrists, shoulders, back and joints, Dyspepsia, Malaria, Scrofula, and all Blood and Skin Diseases, it has never been equalled. Pain is subjugated, Health Renewed, Appetite restored and sleepless nights banished by its wonderful influence.

P. P. P. is a wonderful tonic and strengthener. Weak women should always take P. P. P. It builds them up. It has the universal commendation of medical men throughout the country, because we publish the formula on every bottle, and one trial will convince the most skeptical that it is a genuine health restorer.

Read The Truth And Be Convinced.

A Wonderful Cure.
I was a martyr to muscular rheumatism for thirty years; tried all medicines and Doctors with no permanent relief. I was advised to take P. P. P., and before I had finished two bottles my pain subsided so I was able to work. I feel better than I have for years, and am confident of a complete recovery.
J. S. DUPRISS, Newauville, Fla.

Testimony from the Mayor.
I suffered with Rheumatism for fifteen years, tried all the so-called specifics, but to no purpose. My grandson got me a bottle of P. P. P., and I feel like a new man.
W. H. WILDER, Mayor of Albany.

From Two Well-known Physicians.
We are having a big sale for your P. P. P., and we prescribe it in a great many cases, and find it an excellent thing. We handle about one dozen bottles a week.
DRS. J. M. & M. T. RICHARDSON, Piedmont, S. C.

Hot Springs Surpassed.
A bottle of P. P. P. has done me more good than three months' treatment at the Hot Springs, Ark.
JAMES M. NEWTON, Aberdeen, Brown Co., O.

Pimples, Sores and Eruptions Cured.
I take great pleasure in testifying to the efficient qualities of the popular medicine for skin diseases known as P. P. P. I suffered for several years with an unsightly and disagreeable eruption on my face. After taking three bottles in accordance with directions, I am entirely cured.
Capt. J. D. JOHNSTON, of Johnston & Co., Savannah, Ga.

The above letters are taken from many received by us. P. P. P., (Lippman's Great Remedy,) is a medicine whose virtues are known from the Atlantic to the Pacific. P. P. P. begins its work by purifying the blood, which is the source of all life, and does not cease until a perfect and entire cure is effected. The mortifying eruptions that disfigure the complexion, the tired feeling that prevents thorough accomplishments of the daily tasks, sleepless nights, loss of appetite, irritability of disposition, all mean a derangement of the system consequent from impure blood, which can and will be cured by P. P. P.

P. P. P. (Lippman's Great Remedy), is conceded by physicians and the people to be the **Greatest Blood Purifier of the Age.** It positively and permanently cures. For sale by all druggists or direct from us; price \$1 a bottle, six bottles for \$5.
