Important to
Horse Owners.

The foot is the most important member of
the animal's body; the value of a horse
depends upon the condition of his feet.
Hence no foot, no horse. As the remedy
lies with the owner it is for him to decide
who shall do his shoeing.

I am the Only Exclusive
Horseshoer in the City.

Telephone connection. Horses called for
and returned to any part of the city. Shop
on Texas street, opposite Cooper's stable.
