ONE OF WORST STORMS

Colorado Experiencing Unusually Severe Spell.

BLOCKS MOUNTAIN PASSES

Thirteen Snowslides Reported Between Durango and Silverton, and It Is Impossible to Move Trains on the Georgetown Loop Line.

Denver, Feb. 11.—The storm that has raged throughout Colorado for twenty-four hours was one of the worst experienced in the state. Never before have railroads been so blocked by snow and slides. Passes through the Rocky mountains are nearly all locked and traffic over the Denver and Rio Grande and the Colorado Midland almost suspended. Poncha, Cumbres and Marshall passes are blocked with snow, and Tennessee pass is kept open with difficulty. Marshall pass had not been closed before in many years. Thirteen snowslides are reported between Durango and Silverton, and the Georgetown Loop line of the Colorado and Southern is closed.

Rio Grande eastbound train No. 6, which was sixty hours late and which narrowly escaped a rockslide at the Utah line two days ago, is again blocked at Shoshone. The slide at Shoshone descended but two minutes before the arrival of the train.

Glenwood Springs reports two slides, one of which struck a stage, but injured none of the passengers. Lake City has been without a train for two days and is running out of fuel. No trains are expected there for three days.

Breckenridge is cut off from rail communication and the thermometer had not risen above 2 degrees below zero all day Wednesday.

The Colorado Midland tracks are blocked by a large slide at Sellers.

BELEEVES HE IS MEMBER.

Rainey Inclined to Oponion He Is Connected With the Ananias Club.

Washington, Feb. 11.—Representative Rainey of Illinois, whose speech in the house on the Panama canal purchase has drawn forth a rebuke from the state department in its official reply to the Panama government's protest, is inclined to assume he has been elected to the Ananias club. This is based on the statements in Secretary Bacon's letter as to the president's view of Rainey's speech.

Mr. Rainey made a statement Tuesday in which he did not expect President Roosevelt of Panama or President Roosevelt of the United States to agree with him. He added it was only necessary to arrive at some fact uncomplimentary to the president and his administration to be elected to the Ananias club, provided the candidate had the courage to make the fact public.

MONTREAL WINTER CARNIVAL.

Ten Days of Merriment Begin by Opening of the Ice Palace.

Montreal, Feb. 11.—With the throwing open to the public of the splendid ice palace the carnival of winter Wednesday.

For ten days the people of Montreal and the surrounding country, with many visitors from the United States, will experience all the joys that the winter season in Canada can give.

The palace is the main attraction for tourists. It is a fine edifice constructed of ice blocks on the east flank of Mount Royal. It is brilliantly lighted at night, both inside and outside and is illuminated frequently by displays of fireworks. One of the features of the palace is the storming of the palace in mimic warfare by a large body of men mounted on snowshoes.

The program of attractions includes exhibitions of snowshoeing, skating, sleighing, hockey, tobogganing and sleighing.

When Waking Up. Here is a bit of information it will pay you to keep ready for reference, though you will perhaps turn up your nose at it at the first reading: "How to wake up and wake up fully and quickly. Most people prefer not to wake up in the morning—that is, they think of the pleasure there would be in just five minutes' more of sleep if only that alarm clock had not sounded its warning. Of course you have to get up, and if there is really anything that will make the job easier and more pleasant you will want to know about it. Doctors have long ago agreed that dizziness on first awakening in the morning is due to sluggish circulation of the blood in the brain. This can be quickly overcome by massaging the neck in the neighborhood of the jugular vein, thus stirring the blood to life and action. Rub your neck well on both sides and drowsiness will leave you. Try it."—New York Times.

He Was Guilty.

The great Irish agitator, Daniel O'Connell, was at one time defending a man accused of murder at Clonmel. The circumstantial evidence was so strong against the prisoner that the jury had already determined upon their verdict of guilty, when the man supposed to have been murdered was brought into court, alive and unhurt. The jury were desired to return their verdict at once, and they did so, but it was one of guilty.

"What?" exclaimed the astonished judge. "What does this mean? If the man has not been murdered how can the prisoner be guilty?"

"Please, your honor," said the foreman, "he's guilty. He stole my bay mare three years ago."—Omaha World Herald.

EXEMPTS BASEBALL.

Anti-Sunday Amusement Bill Is Before the House.

Austin, Feb. 11.—By a vote of 8 to 5 house committee on criminal jurisprudence reported favorably the blanket anti-Sunday amusement law, after amending same so as not to prohibit Sunday baseball. Senate committee judiciary No. 2 reported the same bill adversely by a vote of 4 to 3. There will be an unfavorable minority report in the house and a favorable minority report in the senate. In the action upon these bills, it will be noted, the lineup is practically the same as it was upon the anti-race betting bills.

Action in both committees followed an extended hearing. The hearing was jumped in the house committee so hurriedly that representatives of the fair did not have an opportunity to be heard.

The committee also reached a majority favorable report on the anti-Sunday excursion bill. In deference to Mr. Highsmith, who was not afforded an opportunity to speak on the bill, and who had expressed a desire to do so before the action was taken, the report was reconsidered, so Mr. Highsmith may be heard.

Measures looking to the protection of land from overflows and providing for certain surveys were introduced in the house.

Messrs. McDonald and Wilson offered this bill: To require tax assessors to thoroughly examine every person assessed, especially as to how much money he has, and to require bankers to make oath to amount of money deposited with them, giving name and residence of each depositor and amount of his deposit; requiring officers of banks to show books; requiring assessor to report to other assessors of state all money he finds in his county belonging to citizens of other counties, also requiring such reports to be made to state revenue agent.

RODDIE ADDRESSES COMMITTEE.

Austin, Feb. 11.—Senator R. W. Roddie of Oklahoma, author of the state bank guaranty law that commonwealth, at the request of house committee on banking addressed that body Tuesday. He explained the law and defended it. Mr. Roddy formerly resided at Dallas and Rockwall.

BOLD HIGHWAYMAN.

Attacks Couple of Denison Ladies on a Prominent Thoroughfare.

Denison, Feb. 11.—While Messdames F. G. Gill and Robertson were going home from a theater they were attacked by a young white man well dressed. The attack was made within a block of Main street and a half block from the theater. Mrs. Gill was carrying her purse and that of Mrs. Robertson, while the latter was leading Mrs. Gill's small daughter. The young man came along behind them, and as he passed, seized both purses, attempting to run with them. Mrs. Gill held on, and he attempted to drag her into an alleyway. Both women and the little girl screamed, which frightened the man, and he fled south on Mirick avenue. In the scuffle Mrs. Gill's arm was badly wrenched.

LYNCHED AT HEARNE.

Negro Charged With Shooting White Man Swings From Limb.

Hearne, Tex., Feb. 11.—About 200 white men went to the jail Tuesday night, took Rolly Wyatt, a negro, charged with shooting J. A. Kessler a white man, to a tree near the Planters' oil mill and hanged him. The mob was orderly. J. A. Kessler, for whose killing Wyatt was lynched, was a section foreman on the Houston and Texas Central railway, two miles north of Hearne. A charge of buckshot entered his breast, death being instantaneous. Wyatt, who was an old negro, was at once arrested and placed in jail here. The killing occurred Tuesday afternoon.

AGED LADY ATTACKED.

Negro Attempts to Criminally Assault an Old Woman Nearly Blind.

Bastrop, Tex., Feb. 11.—Sherriff Townsend returned from San, having in charge Will Everett, a young negro, who is charged with having attempted to criminally assault and rob Hannah Paulick, an old German lady, who is about eighty years old and nearly blind. The old lady succeeded in getting away from the brute and ran to a neighboring house, but not until she was considerably bruised about the face and sides. The old woman is in a precarious condition, and may die. The negro was placed in jail.

Noted Texan No More.

El Paso, Feb. 11.—Judge Windham Kemp, one of the best known lawyers of Texas, died at his home after a long illness of lung and heart trouble. He was a member of the Virginia Military institute cadets' squad that participated in one or two bloody battles of the civil war, and was also a member of the firing squad over Gen. Stonewall Jackson's grave after the battle of Chancellorsville.

PUBLIC SCHOOL TEXT BOOKS

New Orleans States: In anticipation of the meeting of the State Board of Education representatives from publishing houses all over the country are presenting their wares for consideration by the sub-committee appointed to report upon the merits of the different text books submitted. Representatives of book publishers are also stirring up school boards and school men all over the State with a view to getting pressure brought upon the School Board.

We are of the opinion that the members of the board will spare themselves much worry by adopting at the outset one or two simple rules for the government of their course and then adhering to them rigidly. The first of these rules should be to make the fewest possible changes in the present situation, and the second should be to give every reasonable encouragement to Louisiana authorship. The public schools are maintained for the children of Louisiana primarily and only.

Therefore, the adoption of the simple rule to make no changes except where distinct betterment is obtained, or where a book equally as good or nearly so, by a Louisiana author is submitted, will be recognized quickly as a sound and safe policy for the State Board to pursue. It would supply our schools with the best text books, besides affording our own teachers and writers encouragement in the field of letters.

THE LIBRARY ASSOCIATION.

The Library Association will, at an early date, occupy one section of the basement of the court house. This section was allotted to the association by the Police Jury. It is very desirable and will prove of great convenience to its members. It is intended to have it as headquarters for people from the country.
