Sick and Ailicted Read WHAT THEY SAY OF DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

The Original & Genuine Preparation. The wonderful cures performed by this invaluable medicine in

CONSUMPTION. Coughs, Colds, Asthma, Bronchitis, Liver Complaints, Spitting Blood, Difficulty of Breathing, Pain in the Side & Breast, Puffing of the Heart, Influenza, Cramp, Broken Constitution, Sore Throat, Nervous Debility, & all diseases of the Lungs and Breast, have excited the astonishment of all who have witnessed its marvellous effects. There is no account of a medicine, from the earliest ages furnished a parallel.

The great superiority of this medicine over all others is, whilst it eradicates diseases, it invigorates the body, strengthens the weak and creates pure and rich blood; a power possessed by no other medicine. This is the grand secret of its wonderful success.

EXTRAORDINARY CURE. Point of Rocks, Franklin County, Mo., 1 June 24th, 1881.

DR. SWAYNE—Dear Sir:—Believing it a duty I owe to the public, and in justice to you, I have thought proper to make known one of the most extraordinary cures, in my own case, that has ever been truly recorded. In the month of October last, I was afflicted with a severe gathering in my breast, which formed a large abscess, and also communicated to my lungs and very much afflicted them, and discharged large quantities of corruption, external and internal. My breath could also pass through my lungs and out through the cavity of my breast with apparent ease, attended with a violent cough, day and night, loss of appetite, and extreme debility, so that my physician thought my case entirely hopeless, and beyond the power of medicine. I remained in this wretched condition for a long time, until I was wasted to a mere skeleton, and there seemed to be no hope for me; but having read in the public papers of the many wonderful cures performed by your COMPOUND SYRUP OF WILD CHERRY, I immediately sent to Baltimore for five bottles and commenced its use, and to my great satisfaction and the joy of my anxious family, the abscess opening in my lungs began to heal, and the cough to subside, and on using ten bottles, I was restored to perfect health. I feel grateful and freely believe that to your valuable medicine, under the blessing of Divine Providence, I am indebted for this great change and am happy to say that I am now enjoying as good health as I ever have.

Yours, very respectfully, THOS. DIXON.

The subscriber is well acquainted with Thomas Dixon, and can testify that he is the afflicted person as above represented. Freigard his recovery at almost a miracle. He is a worthy member of society. J. R. DURROW.
