

The Girls for Me.

Proud dames in satin shining / I do not care for love, / In indolence reposing.

Keep it before the People!

That Millard Fillmore has distinctly disavowed the slightest wish or desire to interfere with the question of slavery in the United States.

Keep it also before the people, that Lewis Cass proclaimed in his place in the Senate, that he would have voted for the wilmot proviso, had it been brought forward during the session of 1846.

Keep it before the people, that Millard Fillmore is denounced by the Abolitionists as a traitor and a dough-face, because he recognizes the institution of slavery, and brought a bill into congress to pay a master the value of a runaway slave.

Keep it also before the people, that Gen. Cass boasts that he never was a slave-holder, that he detests slavery, and would be delighted to see it abolished, if it could be done safely and peaceably.

Keep it before the people, that the Democratic papers dare not inform their readers that Millard Fillmore voted in favor of the first of the Atherton resolutions, which declares that Congress has no jurisdiction over the question of slavery in the United States.

Keep it also before the people, that Gen. Cass has proclaimed the monstrous opinion that the question of slavery in the newly acquired territory must be settled by the people thereof; thus giving to the Indians, Mesozoos, Zamboes, and other colored inhabitants of such territory, the right and power to exclude citizens of the South from establishing themselves with their property on the soil.

Keep it before the people, that Millard Fillmore has always been a frank, open and consistent politician, that he has not two sets of opinions one for the North and the other for the South; that he does not, like Van Buren, boast of being "a northern man with southern principles," nor make professions at the eleventh hour to gull the South.

Keep it also before the people, that Lewis Cass never was regarded in any other light than as a violent opponent of slavery and a recognized champion of the Wilmot proviso, and that he only modified his opinions when he became the candidate for the Presidency; that even now he has never written or uttered one syllable against the principle of the Proviso; and that when interrogated by his northern friends on the subject, he pretends that the noise and confusion prevented him from explaining his views.

Keep it before the people, that Mr. Yancy, a Southern democrat, and delegate from Alabama to the national democratic convention, refused to sustain Lewis Cass, pronouncing him a political weathercock, "all things unto all men, an Abolitionist at heart, and false to the South."

WINER'S Canadian Vermifuge.

THE best remedy ever yet discovered for all kinds of WORMS. It not only destroys Worms and invigorates the whole system, but it dissolves and carries off the superabundant slime of mucus, so prevalent in the stomach and bowels of children, more especially of those in bad health.—The mucus forms the bed or nest in which Worms produce their young, and by removing it, it is impossible for worms to remain in the body. It is harmless in its effects on the system, and the health of the patient is always improved by its use, even when no worms are discovered; the medicine being palatable, no child will refuse to take it, not even the most delicate.

Sold Wholesale and Retail by J. Wright & Co., 151 Chartres st., New Orleans. A. E. RICHARDS is the agent for "Winner's Canadian Vermifuge," in Plaquemine, and also for the sale of "Dalley's Pain Extractor." mar11 ly Plaquemine March 11, 1848.

Asthma and Consumption.

DR. SHERMAN'S ALL-HEALING BALSAM.

As Asthma, Consumption, Bronchitis, Coughs, Colds, Liver Complaint, Dyspepsia, and all Diseases of the Lungs, Throat, Liver and Stomach, stands unexcelled. Read what it has done! Mr. Home Testimony in Favor of DR. SHERMAN'S ALL-HEALING BALSAM.

NEW ORLEANS, Feb. 25, 1848.

To Dr. Sherman's Agent, 151 Chartres street: Dear Sir—Having derived great benefit from the use of Dr. Sherman's Balsam, you will permit me to address a few lines to you. I have been troubled for a long time with a bad cough, together with raising blood, to such a degree that I could scarcely talk without coughing. A friend of mine advised me to try Dr. Sherman's Balsam, and in less than two weeks after its use, I find myself perfectly well, and able to attend to my business. I have recommended it to several of my friends, and in all cases with success.

Yours, dear sir, with respect, J. E. BRISCOE,

Clerk for T. L. White, 53 Canal st. Residence, 24 Maria street, New Orleans

STILL THEY COME!

Having accidentally become acquainted with the virtues of Dr. Sherman's All-Healing Balsam, I have no hesitation in declaring that its use in my family warrants the assurance that it possesses all the gifted qualities attributed to it. In one case, where the medicine was taken on my recommendation, the effect was almost magical, as the Cough and Expectoration of mucus matter bore a strong analogy to a decided consumptive tendency. I believe a more general knowledge of this medicine is only required to place it among the best curatives extant, for Consumption, Dyspepsia and other diseases arising from a disorganized state of the stomach and affections of the lungs.

JAMES REESE, 13 Camp st., New Orleans; MOBILE, December 7th, 1847.

I hereby certify, that for 18 months I had been suffering under Consumption, and expected every day to be my last. At length I procured a bottle of Sherman's Balsam, and it raised me as it were from the grave. It cured me, and I am now able to attend to my daily avocation of a boatman. JOHN WILLIAMS.
