Asthma and Consumption.

DR. SHERMAN'S ALL-HEALING BALSAM, as a remedy for Asthma, Consumption, Bronchitis, Coughs, Colds, Liver Complaint, Dyspepsia, and all Diseases of the Lungs, Throat, Liver and Stomach, stands unexcelled.

Read what it has done! More Home Testimony in Favor of DR. SHERMAN'S ALL-HEALING BALSAM. NEW ORLEANS, Feb. 25, 1848. To Dr. Sherman's Agent, 151 Chartres street: Dear Sir—Having derived great benefit from the use of Dr. Sherman's Balsam, you will permit me to address a few lines to you. I have been troubled for a long time with a bad cough, together with raising blood, to such a degree that I could scarcely talk without coughing. A friend of mine advised me to try Dr. Sherman's Balsam, and in less than two weeks after its use, I find myself perfectly well, and able to attend to my business. I have recommended it to several of my friends, and in all cases with success.

Yours, dear sir, with respect. J. E. BRISCOE, Clerk for T. L. White, 53 Canal st. Residence, 24 Maria street, New Orleans STILL THEY COME!

Having accidentally become acquainted with the virtues of Dr. Sherman's All-Healing Balsam, I have no hesitation in declaring that its use in my family warrants the assurance that it possesses all the gifted qualities attributed to it. In one case, where the medicine was taken on my recommendation, the effect was almost magical, as the Cough and Expectoration of mucus matter bore a strong analogy to a decided consumptive tendency. I believe a more general knowledge of this medicine is only required to place it among the best curatives extant, for Consumption, Dyspepsia and other diseases arising from a disorganized state of the stomach and affections of the lungs.

JAMES REESE, 13 Camp st., New Orleans; MOBILE, December 7th, 1847. I hereby certify, that for 18 months I had been lingering under Consumption, and expected every day to be my last. At length I procured a bottle of Sherman's Balsam, and it raised me as it were from the grave. It cured me, and I am now able to attend to my daily avocation of a boatman. JOHN WILLIAMS. WINER'S

Canadian Vermifuge.

THE best remedy ever yet discovered for all kinds of WORMS. It not only destroys Worms and invigorates the whole system, but it dissolves and carries off the superabundant slime of mucus, so prevalent in the stomach and bowels of children, more especially of those in bad health.—The mucus forms the bed or nest in which Worms produce their young, and by removing it, it is impossible for worms to remain in the body. It is harmless in its effects on the system, and the health of the patient is always improved by its use, even when no worms are discovered; the medicine being palatable, no child will refuse to take it, not even the most delicate.

Sold Wholesale and Retail by J. Wright & Co., 151 Chartres st., New Orleans. A. E. RICHARDS is the agent for "Winner's Canadian Vermifuge," in Plaquemine, and also for the sale of "Dalley's Pain Extractor." mar11 ly Plaquemine March 11, 1848.

[From the Niles Intelligencer.]

Mr. Editor:—

Dear Sir—Not the least of many reasons that are urged for the support of General Cass for the Presidency, is that he represents in character and habits, that republican simplicity which discards all distinctions that tend to create in this country a European aristocracy. A little incident in the history of the General will show how far his republican simplicity in his habits entitles him to the support of that class of men whose only guarantee to prosperity and plenty is an honest industry, in (what some would term) the humbler pursuits of life. In 1848, when on his electioneering tour through Western Michigan, with his customary attendants, finding public accommodations not very inviting to a taste that had been fashioned at a French Court, he called at a respectable looking farm house to obtain refreshments. Finding the occupants willing to accommodate, he instructed the lady to prepare a meal as soon as possible, for they were in a great hurry to proceed on their journey. Hastening to comply with the request of her distinguished guest, she was not long in preparing a dinner that would be palatable to the "Great Pioneer of the West, who had spent the most of his life among the crags of the wilderness." After the General and Dr. Hoton had taken their seats at the table, the lady inquired if she should call the rest of the company, which consisted of the man that drove the carriage and another individual, who in the company of French noblemen would have been called a servant. The General remarked to the Doctor that he had better adhere to his accustomed rule on such occasions, and then told the lady that they might wait till they were done.

A great many reasons may be found to justify Gen. Cass for observing rules in a new and sparsely populated country, that originated with crowned heads and a profligate, oppressive aristocracy, but it is questionable in my mind whether the large class of voters in this western country, that are proud to earn their bread by the sweat of the brow, without any extra allowances, will support a man for President that would refuse to partake of the bounties of our common Creator and benefactor, at the table with others, simply because their honest vocation is regarded by the oppressors of mankind as degrading. A PLEBEIAN.

GENERAL RULES.—A Western paper establishes the following for the government of al:

- It is contrary to order to write to an editor and omit to pay the postage. Contrary to order to write a communication for insertion and the writer withhold his name from the editor. Contrary to order to take a paper two or three years and then write that you refuse it, permitting the editor to pay the postage. Contrary to order to knock at a printing office door. But it is always in order—To subscribe for a paper at home to make it good. To pay in advance. To write short sensible articles for the papers. To pay the postage on communications. To publish your card so that the public may know your business and location. To send substantial circulars to the printers of the important fact of your marriage. To write very plain for the printer. By observing these directions you will be a good citizen, live happy, and when you die ascend among the **** in the upper case. Who dare say that Cass will not support Taylor's administration?
