Never Give Up.

Never give up! it is wiser and better
Always to hope than once to despair;
Fling off the load of doubt's creaking fetter,
And break the dark spell of tyrannical care;
Never give up! or your burthen may hold you—
Providence kindly has mingled the cup;
And if all trials or troubles bethink you
The watchword of life must be never give up!

Never give up! there are chances and changes
Helping the hopeful a hundred to one;
And, through the chaos high wisdom arranges
Ever success—if you'll only hope on—
Never give up! for the wisest is holdest,
Knowing that Providence mingles the cup,
And of all maxims the best is the oldest,
Is the true watchword of never give up!

Never give up! though the grape-shot may rattle,
Or the black thunder-cloud over you burst;
Stand like a rock, and the storm or the battle
Little shall harm you, though doing their worst.
Never give up! if adversity presses,
Providence wisely has mingled the cup,
And the best counsel in all your distresses,
Is the true watchword of never give up!

THE NEW YORK BAR.—Some gentlemen of the Bar lately made a calculation by which it appears that their aggregate net receipts are so small as to not furnish over \$250 a year to at least one-third of the members of the legal profession.—There are over 600 attorneys in New York, and it is believed 200 of these do not earn \$200 a year.

The Bar is crowded with gentlemen who resort here to mend their fortunes, with what success, may be inferred from the foregoing statement. We know of no profession, or trade, in which there is so much competition as the law, and none that affords so small a compensation for the time and money expended in obtaining this requisite acquirements.—*N. TESTED BY THOUSANDS.

WRIGHT'S INDIAN VEGETABLE PILLS.

EVERY day is this celebrated medicine extending the sphere of its usefulness, and every year adding to the long catalogue of its triumphs.

A MILLION OF BOXES are distributed annually without fully meeting the demand! For some time past, the sales have been limited, solely for want of facilities of supply. Truly this is a universal remedy! Unheralded, these Pills have found their way into the remotest corners of the Union, every where proving their title as **THE POOR MAN'S FRIEND**—**SICK MAN'S HOPE**—**THE MARVEL AND BLESSING OF THE AGE**. For a trifling sum, every individual and every family may have Health Insured to them for an indefinite period; and what is life without health but a miserable existence.

It is too precious a boon to be tampered with, by trying all sorts of experiments upon it. The sick should use those medicines only which experience has shown to be the best.

CURE FOR FEVER AND AGUE.

RUSSELLVILLE, Put. Co. Ia., July 17, 47.
Dr. Wright—Sometime since your agent left me a supply of your Indian Vegetable Pills. I have found said pills to be in great demand lately for the cure of Fever and Ague. Mr. James Boyd has a son who has been laid up with fever and ague, and had tried various other remedies, all of which proved of no avail.—He determined to try your Indian Vegetable Pills, and by using one box he is now well. Mr. T. Spencer had a daughter, Mr. Hugh Groves a son, and Mr. C. Nichols and three of his family were all down at the same time with fever and ague, and had also tried various other remedies without effect. Your Indian Vegetable Pills soon restored them to perfect health. I can assure you, from what I have seen, your Indian Vegetable Pills may be relied on for a permanent cure of fever and ague. Yours, respectfully,
JACOB DURHAM, P. M.,
Also, acting Justice of the Peace.

FEVERS.

Fevers, like every other form of disease are only an EFFORT OF NATURE to expel from the body something that is opposed to health; it is merely a struggle between the good and bad humors for supremacy, and the commotion which ensues is called Fever. The usual symptoms of a fever are heaviness, languor, anxiety, sighing and yawning, with alternate fits of heat and cold. After which the patient complains of pain in the head and back, thirst, difficulty of breathing, pain in the limbs, a sense of fullness about the region of the stomach, nausea and sickness, with sometimes vomiting of bilious matter.

Wright's Indian Vegetable Pills will be found peculiarly adapted to the cure of all kinds of Fever, because they not only thoroughly cleanse the stomach and bowels from all bilious humors, but they open those excretory vessels which empty into the bowels; and consequently the impurity contained in the circulation (which is the cause of all disordered motions of the blood called Fevers) is thrown into the bowels, from whence it is carried off by the regular alvine discharges.

In using Wright's Indian Vegetable Pills for Fevers, the only care necessary is to have the medicine operate copiously by the bowels. If the symptoms are urgent, from four to eight pills should be taken night and morning until the fever has subsided, after which smaller doses, once in twenty-four hours, will be sufficient to restore the body to a state of sound health.

BEWARE OF COUNTERFEITS.

Remember, that the original and only genuine pills have the written signature of Wm. Wright on the top label of each box. The genuine Wright's Indian Vegetable Pills is never sold in Drug Stores.
