Purify the Blood! Strengthen the System!!

THE GREAT MEDICINAL DRINK OF THE AGE!
CROOKES'S
Invigorating Aromatic Vegetable Stomach Bitters,
FOR RESTORING & PRESERVING HEALTH.

Prepared from Aromatic Bitter Herbs UNDER THE AUSPICES OF AN EMINENT PHYSICIAN.

Are an agreeable and palatable Invigorating Tonic, prepared from Aromatic Bitter Vegetables, combined with a Pure Spirit, improved and perfected by one of our venerable and eminent physicians during a practice of thirty years, in the latter part of which he used those Bitter Herbs, with unparalleled success, in the treatment of internal diseases and for purifying the blood.

They stimulate and regulate the functions of digestion; impart vigor and tone to the stomach; strengthen the system, and are unequalled as a purifier of the blood. By continuing the use of a wine glass full morning and evening, and before meals, for a few weeks, they will afford convincing proofs of their great medicinal properties, and under the influence of their health-restoring qualities, that physical condition necessary to the enjoyment of a sound body and mind will soon be attained.

From their purifying influence, the skin becomes steadily smooth and bright, and they will gradually remove every trace of eruption or inflammation from the face or body as they progress in the purification of the blood.

Viewing them simply as a beverage, they equal in richness and delicacy of flavor the finer grades of choice Champagne Wines—the bitter principle being only perceptible when felt in the good work of purifying and invigorating.

For the use of old and young of both sexes they are admirably adapted, being grateful to the taste; of an exquisitely delicate flavor—imparting to the palate a soothing aromatic effect, equalled only by its purity and richness.

The following letter regarding the purity and quality of this Celebrated Vegetable Tonic, from the eminent and gifted physician and chemist, Victor E. Canning, so long and favorably known in connection with the French Academy of Science, speaks for itself:

Chemical Laboratory, West Broadway, New York, February 6, 1860.

Mr. H. M. Crookes: Dear Sir—In accordance with your request of the 16th ultimo, I have subjected sample of your Invigorating Aromatic Vegetable Stomach Bitters to a careful analysis and find them to be composed of the essence of Aromatic Bitter Vegetables of ancient fame in the medical world; yet I have never before seen them so well blended or rendered so pleasing to the sense of taste.

The Spirit used in their preparation I found to be perfectly pure, and as free from deleterious element as that procured from the natural juice of the grape.

You doubtless had the assistance of experienced medical skill in perfecting so excellent a combination, as it rarely occurs that the bitter principle, possessing so much medicinal worth, is rendered so palatable.

Continue to prepare your Stomach Bitters, strictly in accordance with the formula you have already adopted, and they cannot fail to gain precedence over everything else of the kind within my knowledge.

I remain, dear sir, very respectfully yours.

VICTORE CHANNING.
