

NOTICE.

BEING appointed Receiver under the provisions of the act of the Confederate States of America, entitled "An Act for the Sequestration of the Estates, Property and Effects of Alien Enemies, &c." for the section of the State comprising the parishes of Caddo, De Soto, Sabine, Bossier, Claiborne and Bienville, and for which the Confederate Court holds sessions at Shreveport. Therefore, all parties having business with the office will confer a favor by communicating their information in writing, as far as practicable, stating names of aliens, their domicils, nature of property, where situated, supposed value, and their own residences or places of business, that they may be called on for further information, as each case comes up for examination.

Fear has been expressed that peremptory demand will be made for payments of debts due to aliens, and summary means used in confiscating their property to the great detriment of the community. This is a great mistake. The Receiver will not willingly throw any impediment in the way of business, but hopes, in every instance, to secure the rights of the Government without the least detriment to private interests, and as much as possible without litigation.

Let an honorable loyalty be evinced in assisting the Receiver in establishing those rights. Meet him with an honest intention to do no wrong, and you may feel full assurance that every facility, as urgently demanded by the exigencies of the times, will be extended in return.

For the information of the public, I publish the second and third sections of the act:

SEC. 2. Be it further enacted, That it is and shall be the duty of each and every citizen of the Confederate States speedily to give information to the officers charged with the executions of this law, of any and every lands, tenements and hereditaments, goods and chattels, rights and credits, within this Confederacy, and of every right and interest therein held, owned, possessed or enjoyed by or for any alien enemy, as aforesaid.

SEC. 3. Be it further enacted, That it shall be the duty of every attorney, agent, former partner, trustee or other person holding or controlling any such lands, tenements or hereditaments, goods or chattels, rights or credits, or any interest therein, of any such alien enemy, speedily to inform the Receiver, hereinafter provided to be appointed, of the same, and to render an account thereof, and, so far as practicable, to place the same in the hands of such Receiver; whereupon such person shall be fully acquitted of all responsibility for property and effects so reported and turned over. And any such person wilfully failing to give such information and render such account, shall be guilty of a high misdemeanor, and upon indictment and conviction shall be fined in a sum not exceeding five thousand dollars, and imprisoned not longer than six months—said fine and imprisonment to be determined by the court trying the case—and shall further be liable to be sued by said Confederate States, and subjected to pay double the value of the estate, property or effects of the alien enemy held by him so subject to his control.

DICKINSON'S SOUTHERN CONFEDERACY Ready Proof Press,

Patented June 1st, 1861.

To Country Publishers.

THE want of a cheap proof press has long been felt by publishers of country papers and small Job Offices. The undersigned knowing this from experience, has invented a press of this sort (similar to Hoe & Co.'s) and offers it to the craft as the cheapest in the market. Instead of a solid cast-iron cylinder, it is made of sheet iron and filled, being a decided improvement, as it gives elasticity to the cylinder. The cost of an ordinary proof press is \$50, while this costs

Only \$20.

Purify the Blood! Strengthen the System!!

THE GREAT MEDICINAL DRINK OF THE AGE!
CROOKES'S
Invigorating Aromatic Vegetable Stomach Bitters,
FOR RESTORING & PRESERVING HEALTH.

Prepared from Aromatic Bitter Herbs UNDER THE AUSPICES OF AN EMINENT PHYSICIAN.
Are an agreeable and palatable Invigorating Tonic, prepared from Aromatic Bitter Vegetables, combined with a Pure Spirit, improved and perfected by one of our venerable and eminent physicians during a practice of thirty years, in the latter part of which he used those Bitter Herbs, with unparalleled success, in the treatment of internal diseases and for purifying the blood.

They stimulate and regulate the functions of digestion; impart vigor and tone to the stomach; strengthen the system, and are unequalled as a purifier of the blood. By continuing the use of a wine glass full morning and evening, and before meals, for a few weeks, they will afford convincing proofs of their great medicinal properties, and under the influence of their health-restoring qualities, that physical condition necessary to the enjoyment of a sound body and mind will soon be attained.

From their purifying influence, the skin becomes steadily smooth and bright, and they will gradually remove every trace of eruption or inflammation from the face or body as they progress in the purification of the blood.

Viewing them simply as a beverage, they equal in richness and delicacy of flavor the finer grades of choice Champagne Wines—the bitter principle being only perceptible when felt in the good work of purifying and invigorating.

For the use of old and young of both sexes they are admirably adapted, being grateful to the taste; of an exquisitely delicate flavor—imparting to the palate a soothing aromatic effect, equalled only by its purity and richness.

The following letter regarding the purity and quality of this Celebrated Vegetable Tonic, from the eminent and gifted physician and chemist, Victor E. Canning, so long and favorably known in connection with the French Academy of Science, speaks for itself:

Chemical Laboratory, West Broadway.
New York, February 6, 1860.
Mr. H. M. Crookes: Dear Sir—In accordance with your request of the 16th ultimo, I have subjected sample of your Invigorating Aromatic Vegetable Stomach Bitters to a careful analysis and find them to be composed of the essence of Aromatic Bitter Vegetables of ancient fame in the medical world; yet I have never before seen them so well blended or rendered so pleasing to the sense of taste.

The Spirit used in their preparation I found to be perfectly pure, and as free from deleterious element as that procured from the natural juice of the grape.

You doubtless had the assistance of experienced medical skill in perfecting so excellent a combination, as it rarely occurs that the bitter principle, possessing so much medicinal worth, is rendered so palatable.

Continue to prepare your Stomach Bitters, strictly in accordance with the formula you have already adopted, and they cannot fail to gain precedence over everything else of the kind within my knowledge.

I remain, dear sir, very respectfully yours,

VICTOR E. CHANNING.
