The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, setting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggist, 75c. Hall's Family Pills are the best.

### At The Opera House.

Mr. W. A. Mair, the national organizer of the Catholic Knights of America and Mr. Felix J. Gourdain, supreme representative for the State of Louisiana delivered last Sunday an interesting lecture on Catholic Knighthood in America to a large and cultured audience. Their explanations of the various benefits to be derived by becoming a member of the Catholic Knight of America were well delivered and demonstrated the ability of the speakers on that subject.

At night a reception, consisting of a cold lunch and champagne punch, was given at the C. K. of A.'s hall, Main street, in honor of the two above named gentlemen.

After the several members and invited guests had partaken of the refreshments Mr. Mair stated that he would be pleased to fill the application of any one present who was desirous of becoming a member, and in response, ten of our most prominent young men signed their names to the applications. By the enrolling of these ten new members Branch 336 becomes the "Banner" branch of the state of Louisiana. We wish it continued success and trust that it will always sustain its title as the banner branch of the State.

### T. & P. Railroad.

The connection of this town by rail with Donaldsonville is no longer a silent dream as we write these lines the shrill whistle of the locomotive across Bayou Lafourche informs us that the last rail has been laid. The coming of the Texas and Pacific Railway to Thibodaux will prove of incalculable benefits to our people and especially so to our merchants for they will be able hereafter to receive their goods direct from Northern and Eastern points thereby saving a good deal in transportation. The new road should be tendered a cordial welcome by both our town and people for railroads have always been a power in building up a place. We understand the passenger service will not take effect before April; but that freight trains will commence running prior to that date.

He had never seen a telephone, and his friend was showing him how it worked. It was in his office. He called up his house, and the wife came to the telephone. "My dear, Mr. Jones is here, and I have asked him to come up to dinner." Then he turned to Mr. Jones and said: "Put your ear to that and hear her answer."

### WINE OF CARDUI

has brought permanent relief to a million suffering women who were on their way to premature graves. Mrs. Mitchell was fast declining in health, when Wine of Cardui performed a "wonderful cure" in her case. She suffered with the agonies of falling of the womb, leucorrhoea and profuse menstruation. The weekly appearance of the menses for two months stopped her vitality until she was a physical wreck. Her nervous system gave way. Then came the trial of Wine of Cardui and the cure. Mrs. Mitchell's experience ought to convince Wine of Cardui to suffering women in words of healing eloquence. **WINE OF CARDUI** is within the reach of all. Women who try it are relieved. Ask your druggist for a bottle of Wine of Cardui, and do not take a substitute if tendered you. Mrs. Willie Mitchell, South Gaston, P. C. "I had been a great sufferer with falling of the womb and leucorrhoea, and my menses came every week for two months and were very painful. My husband induced me to try Wine of Cardui and I had the cure. My health has been restored, and I am restored to perfect health."

In case of neuralgia, sciatica, rheumatism, etc., the Wine of Cardui is the best remedy. It is sold by all druggists. Price, 50 cents per bottle. Sent by mail on receipt of 50 cents. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggist, 75c. Hall's Family Pills are the best.

One commendable feature was the placing of one of his subjects while under hypnotic influence in a rigid condition, on two chairs and allowing three men to stand on him without injuring him in any way. He also placed a young man in a sleep for twenty-four hours, awakening him on Friday night. The young man during the day of Friday was placed in the show case of one of the stores of Messrs. H. Riviere & Co., where he was viewed by many of our people. Mr. Lee will give his last performance here to-night.

### The Servants We Do Not Keep.

Dr. Grace Peckam Murray, a well known and authoritative writer in regard to Children's Diseases, begins in the March DELINEATOR a series of four valuable chapters dealing with "The Child." The first article speaks of "The Child at Home." Every mother should read these articles as they appear.

Wherever the retaining of a servant is a difficult matter—and in what home is it not?—interest should be felt in the article in the March DELINEATOR by Professor Ellen H. Richards of the Massachusetts College of Technology, entitled "The Servants We Do Not Keep." Of course the final word on the servant question will never be uttered, but every woman with servant troubles, at least wants to know the troubles of others and how, in some measure, they overcome them.

### Change of Ownership.

Mr. J. J. Keeler, purchased last Friday morning from Mr. Frank Hoffman, Sr., the contents of the large livery stables, and also that of the Blacksmith and undertaking establishments situated on Jack-on street. These two gentlemen are prominent citizens of our town and it is their intention to conduct in the future a first class livery, blacksmithing and undertaking business, giving general satisfaction to all. While this is a new venture to them, yet we feel certain that with the business abilities and energy such as they possess, they will make a success of it, and will, do doubt, receive the patronage of their numerous friends and the traveling public.

### Notice.

A. I. TETREAU.  
E. P. LEFORT.

The business will be continued at the same old stand by E. P. LEFORT Feb. 25, 1901.

"Now, children, I want you all to do our best upon composition." It was a school teacher addressing a class of 9 year-old youngsters who were to write a composition on "Virtue."

The son of Alex Hill of the Robert Clarke Company was a member of the class and his father was more than gratified when he brought the composition home marked "perfect" by the teacher. Mr. Hill had been reading to him some of the old stories about how a poor young man was tempted by being offered money for stealing, and afterward became a prince, being rewarded by the fairies for virtue. Little Hill dashed off an able article about a poor young man who wanted to marry a beautiful princess and had no money and would not steal and, while walking along the street, one day, stumbled over a bag containing some three millions in gold. Then he finished the composition with the sentence: "Rudolph married the beautiful princess, and in two weeks they had a pretty little baby and lived happily ever afterwards."—Pale Light.

### Dr. Sheard Moore, a veterinary surgeon of years' standing, formerly of New Iberia, has taken up his abode in Plaquemine. He is a brother of Dr. Hamlet Moore, of our city, and has such a well-earned reputation as his brother, who has done some wonderful work since locating in Donaldsonville. The people of Iberville will find in Dr. Moore a reliable and efficient surgeon.—Donaldsonville Times.

### Great flocks of robins, feeding on the crop of late berries, are visiting the forests in this parish, and the pop of death dealing firearms are heard on every side, several big killings made by hunters from town. These birds seek a common roost which at night are visited by negroes and boys who capture them by the hundred, one negro man being caught at one haul.—Belt Arcadia.
