Major Cleophas Lagarde.

This well known and highly res-
pected and esteemed citizen of La-
fourche departed this life last Mon-
day night at his home on Leighton
plantation, surrounded by his wife
and children, and after an illness of
several weeks.

The funeral which took place Tues-
day afternoon at St. Joseph's Church
was attended by a large concourse of
people from this and adjoining par-
ishes who thus testified by their
presence and sympathy the high
regard and esteem in which the de-
ceased was held. The funeral ser-
vices were of the most solemn and
impressive nature and were conducted
by Rev. Father Dubourg, assisted by
Rev. Fathers Ravotte and Simon, and
two visiting priests, and Prof. Chol
presided at the organ and led the
choir.

The pall bearers were Judge L. P.
Caillouet, Judge Taylor Beattie, Hon.
H. N. Coulon, and Messrs. W. C.
Ragan, John Webe and C. Lalande.
Major Lagarde was a native of this
parish, born near this town on
December 28, 1823. He was the son
of Jean Lagarde and Adelaide Tramp-
let, and was the last surviving mem-
ber of a family of seven children.
He was a lifelong resident of this
parish, and devoted his best energies
to life's success in the midst of its
people and centered all his interests
here. He was a man of moderate
education, but of great observation,
fine sense and good judgment, qual-
ities which proved valuable to him in
life's struggle. He received the prin-
cipal part of his education here, but
for two years attended La Grange
College, in Kentucky.

On returning from school he en-
gaged in mercantile pursuits, first as a
clerk and then as the owner of a
small country store, which he kept
until he entered the sheriff's office as
deputy in 1853.

He continued as deputy sheriff
until 1861, when he was elected
sheriff. This position he held until
1862, when he enlisted for the war of
the Confederacy, organizing a com-
pany, Bragg's Cadets, of which he
was elected captain, and served as
such until the capitulation of Vicks-
burg, his command being one of
those besieged. He was promoted to
Major on June 21, 1863, of the 26th,
Louisiana Regiment. His command
was paroled at Vicksburg, and at the
close of the war, the Major returned
home, like many another Southerner,
to begin life over.

He commenced planting, and was
elected sheriff again for a term of
two years, and in 1868, began sugar
planting on the McLeod plantation,
near Lockport, which he had leased,
and soon after bought. At the
expiration of his term of office, the
Major virtually retired from politics
and devoted himself exclusively to
agriculture. He was successful as a
sugar planter, and acquired the
Leighton plantation on which he
established his home, and later the
Energy plantation adjoining, and
which he annexed to Leighton, and
thus formed a magnificent estate.

Major Lagarde was married in 1855
to Miss Aglone Lejeune, also a native
of this parish, who survives him, with
three sons and four daughters, to
mourn his loss. Only two of the
children are married—two daughters,
Mrs. E. A. O'Sullivan, of New Orleans,
and Mrs. Benton Foret, of Lockport.
In the death of Major Lagarde,
another of the old school of ante-
culture, refinement and rugged hon-
esty has passed away. He had a
high sense of honor and led an up-
right life, and was universally re-
spected and esteemed. May he rest
in peace.

Euchre.

THE ARREST OF SAU- RAGE.

The Plain Facts of The Case.

Louis Saurage was arrested this
week at Bowie by Deputy Sheriff
Max Dupre on a warrant from Pointe
Coupee parish. The accused tried to
escape, and was actually in flight,
when Deputy Dupre fired one shot at
him which inflicted a painful but not
serious wound.

This incident provoked some un-
knowing correspondent to send from
Bowie censorious dispatches to the
New Orleans papers, criticizing harsh-
ly the officers connected with the ar-
rest.

That the public may not be misled
by these dispatches from Bowie ap-
pearing in the New Orleans papers,
Wednesday the 24 inst, we publish
the plain facts in the case, as we
secured them from a reliable source.

A warrant charging Louis Saurage
with assault and battery, wilfully
shooting at and carrying concealed
weapon bearing date July 8th 1901,
issued from the Parish of Pointe
Coupee, was placed in the hands of
Dr. Dupre to execute. Dupre was
informed that Saurage was working
at the Bowie Lumber Mills. Dr.
Dupre visited Bowie and calling on
Dr. Sheriff W. W. Weidon who is
located at Bowie requested him to
point out Saurage and assist him in
placing him under arrest. When Dr.
Dupre got close to Saurage he placed
him under arrest and requested him
to come with him. Saurage imme-
diately turned and climbed a ladder
strawway to the shingle mill saying
he wanted to get his pants. Dupre
followed him up the ladder. Dr.
Sheriff Weidon thinking Saurage in-
tended to escape, crossed under the
mill to the other side where there is
another stair. His conclusion was
correct as just as he arrived at the
foot of the stairs Saurage came down
the stairs in full run, Dr. Weidon
grappled with him and tried to stop
his flight, but Saurage fought him off
and continued in his flight. Dr.
Dupre had gotten back on the ground
at this time and catching up with the
prisoner asked him to stop at which
command Saurage turned as if he
wanted to grapple with Dupre who
knowing what had just happened to
his Bro. Officer leveled his pistol and
fired. The prisoner then advanced in
a threatening manner and Dr. Dupre
asked him if he wanted him to kill
him, at which he concluded it was
better to surrender. Dr. Dupre at
once called up the Sheriff and ac-
quainted him with the facts. The
Sheriff told him to call in Dr. Gazzo
or Dr. Ayo and have the wounded
man given medical attention. Dr.
Ayo being absent and Dr. Gazzo not
being able to be located, the sheriff
had Dr. Theo. Stark call the druggist
at the Bowie Drug store and had the
druggist explain where the man was
wounded and advised the druggist
how to bandage the wound. The
Doctor informed the Sheriff that there
would be no danger in transferring
the prisoner to Thibodaux and the
Sheriff instructed Dupre accordingly.
Dr. Dupre procured a hack and placed
several blankets and quilts in the
bottom also a pillow and brought
Saurage to Thibodaux where he
awaits the authorities from Pointe
Coupee.

This plain statement of facts leaves
little room for the sensational and
censorious dispatches sent to the
New Orleans papers.

Under the treatment of the parish
physician, the prisoner is doing well,
and will soon have gotten over the
effect of his wound.

Evidently no effort has been spared
to make The Ladies' Home Journal
for August a positive boon to its re-
aders during these warm midsummer
days. Its light, readable articles,
bright stories, clever poems, charming
music, and numerous beautiful illus-
trations afford the easiest and plea-
santest kind of entertainment for lei-
sure hours. Enchanting views of the
lovely scenery in the Engadine Valley
and among the Swiss and Italian lakes,
as well as such delightful articles as
"The Singing Village of Germany"
and "What Girl-Life in Italy Means"
and "The Picnic Basket," "Keeping
a House Cool in the Dog-Days," and
"Sea-Side Toys and How to Make
Them." Other thoroughly interest-
ing contributions are "The First
White Baby Born in the Northwest,"
"My Boarding School for Girls," and
the usual serial and department ar-
ticles. By The Curtis Publishing Com-
pany, Philadelphia. One dollar a
year, ten cents a copy.

A Coming Campaign Issue.

Regarding the attack on the suf-
frage clause of our constitution, inau-
gurated in the local courts, a recent
issue of the Picayune contained the
following item:

The issue with the Republican

Heartburn.

When the quantity of food taken
is too large or the quality too rich,
heartburn is likely to follow, and es-
pecially so if the digestion has been
weakened by constipation. Eat slowly
and not too freely of easily digested
food. Masticate the food thor-
oughly. Let six hours elapse between
meals and when you feel a fullness

party in the next presidential cam-
paign will be disfranchisement of the
negro in the southern states, and the
opening wedge was put in yesterday
by the filing of a suit in the civil
district court by Attorney Arnaud
Romain to test the validity of the
constitutional article relative to the
franchise qualifications. Colonel
James Lewis and Walter Cohen, lead-
ing colored men, said yesterday that
word has been sent from Republican
headquarters that the party cry is to
be the attack on state constitutions
in the south that have disfranchised
the negro.

Rynes was refused registration last
Wednesday by the registrar of voters
because he could neither read nor
write, and owned no property. The
negro was accompanied by Val St.
Ceran and Felix Falgout. Colonel
Lewis happened to be present on
business, not relating to Rynes and
when the man was refused registra-
tion the colonel joined the protest and
later was instrumental in putting the
matter in shape for a legal contest.

Similar action is to be taken in
every southern state in which the
franchise disfranchisement exists.
Colonel Lewis says that money for a
vigorous prosecution of those cases
has already been subscribed. Several
thousand dollars are now available
for the Rynes case.

Business men who lack the vim,
snap and vigor they once had, should
use HERBINE. It will purify the
blood, strengthen and invigorate the
system. Price, 50 cents. For sale

Of Interest to Fifth War- ders.

We reproduce the following from
the proceedings of a recent meeting
of the Lafourche Levee Board, which
will be of interest to residents of the
fifth Ward:

Messrs. L. A. Troclair and F. A.
Tete appeared before the commis-
sioners in the interest of the residents
along bayou Lafourche. They did
not wish to have the board build a
new line of levee which would require
the expropriation of additional prop-
erty. After hearing the explanation
of the position taken by the residents,
the board modified their original
plans. The state board of engineers
was asked to stake out a line of en-
largement work from Jefferies to the
upper line of Mrs. Pugh's plantation,
and lay out a line for the rebuilding
of the levee between the Pugh prop-
erty and Ernest Roger's plantation.
This work will contain about 70,000
cubic yards.

Mr. Rathbone, representing the
Louisiana Cypress Lumber Company,
and C. L. Hopkins, from bayou des
Almout, requested the board to made
good the titles to the land now held
by the two companies. This request
was granted upon the payment of 25
cents per acre. Both companies own
about 6,000 acres each.
