The holidays have passed away and only their memory is left with us. Let us now begin to work in dead earnest and try and round up the year 1902 with a record breaker. It can be done. It should be done.

The health of our parish is in excellent condition. There is comparatively speaking but little sickness. The knights of the perle and mortar do not thrive as well here as in other communities of our State.

The crops this year notwithstanding many draw backs, yielded very well. The cane turned out well and the only obstacle in the way is the small price for sugar. With higher prices all our planters would be more prosperous. As it is the expenses are so heavy that the returns are not as high as they should be. Be it as it may our planters did well.

The Electric piano of J. C. Schneider, is one of the attractions of interest in town at present. Every body should make an effort to see and hear this wonderful instrument. The music is perfectly sublime. Mr. Schneider will have the piano in his restaurant back of the saloon every Sunday, that the children and ladies may be given an opportunity to hear the piano render its beautiful selections.

The Lockport Eagle has cause to feel the least bit conceited over its neat, handsome and attractive Christmas edition. The Eagle deserves the entire support of the people of the lower end of the thib parish, as it is doing its level best to boom up that section of our rich and populous parish. Let this good work go on, and we venture to say that before the year 1902 expires that the Eagle will have made its good influence felt all over the parish.

Catarrh Cannot be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best medicines known, mixed with the best blood purifiers, acting directly on the mucous surface. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free. F. J. CHENEY & Co, Props, Toledo, O. Mr. Frank Craft, the manager of the Cumberland Telephone System in this town, met with quite a serious accident last Thursday afternoon. It seems that he was at the top of a very tall telephone pole arranging some of the wires which had been broken by the heavy drift of snow, when he lost his balance falling over thirty five feet to the ground. He was picked up unconscious. At this writing the extent of the injuries are unknown as they are supposed to be internal. We sincerely trust that nothing serious will be the outcome of this fall and that Mr. Craft will be up and going before long.

Thibodaux La.
Gentlemen:—Kindly save space in your next issue for the following article.

"A Jolly Fellows Send Off."

Our good, generous, faithful and sincere friend Velley E. Landry has severed his relations with us, and certainly will leave a vacancy in our midst. He leaves us to accept the responsible position of manager of Mr. Keller's store located at Gem, La.

What has been Mr. Keller's gain, has certainly been our loss. Mr. Landry's Coteau and Bowie friends put their heads and brains together, determined to make his departure as pleasant as circumstances would permit it, and finally decided, to give him as a token of esteem a beautiful present. After the souvenir was presented to him, quite a time of cheerfulness and good fellowship was spent. Mr. Landry was a popular clerk of Coteau store at Bowie La. Both the company and the people regretted to see him sever his connections with them. Still we are glad to see him better his position on the commencement of a New Year and hope his star will rise to see him the "merchant prince" of his new location.

Will add only one word more and that is, that she may have the pleasure of joining him in his good luck. The sweet girl he always and will always love.
