THE WEEKLY SUN.

Eighteen hundred and seventy-six is the Centennial year. It is also the year in which an Opposition House of Representatives, the first since the war, will be in power at Washington; and the year of the twenty-third election of a President of the United States. All of these events are sure to be of great interest and importance, especially the latter; and all of them and everything connected with them will be fully and freshly reported in THE SUN.

The WEEKLY SUN, which has attained a circulation of over eight thousand copies, already has its readers in every State and Territory, and we trust that the year 1876 will continue to be a thorough newspaper. All the general news of the day will be found in it, condensed when important, at full when of moment; and always, we trust, treated in a clear, interesting and instructive manner.

It is our aim to make THE WEEKLY SUN the best family newspaper in the world, and we shall continue to give in its columns a large amount of miscellaneous reading, such as stories, tales, poems, scientific intelligence and agricultural information, for which we are not able to make room in our daily edition.

THE DAILY SUN, a large four page newspaper of twenty-eight columns, gives all the news for two cents a copy. Subscription, postage prepaid, \$5 a month or \$5.50 a year. SUNDAY edition extra \$1.00 per year. We have no traveling agents. Address, THE SUN, New York City.
