WARRENING, Mo., Oct. 25.—An insane man named Keene was placed in a large room adjoining the jail under the Courthouse for shelter and while the janitor was at supper, wild screams attracting people to the window, Keene was found hugging a red hot stove. He was taken away, but death soon followed.

ANOTHER POSTAL AUTHORITY GONE ASTRAY.

ST. LOUIS, Oct. 25.—Advices from Austin, Tex., say that Post Office Inspector, Genl. Edgerton, of St. Louis, who has been investigating the affairs of Inspector P. Foster, at that place, has found evidence showing that Foster's course for the past 5 years has been highly criminal and disclosing the falsifications of vouchers for large sums of money, various other irregularities and corrupt practices. Inspector Edgerton is now enroute to Washington to report the case.

THE FIRE CHIEFS.

NEW ORLEANS, Oct. 25.—The Fire Engineers Convention, reassembled this morning, 29 delegates being present. Reports of Committees on various topics were received and discussed, including the present system of insurance by agents, over-insurance, fire escapes, buildings and municipal supervision thereof. Over-insurance is strongly condemned as encouraging incendiaryism. To-night the members of the Convention, accompanied by ladies, will be tendered a complimentary ball in their honor at Washington Artillery Hall.

COLORED MEN IN CONVENTION.

CHICAGO, ILL., Oct. 25.—A well attended meeting of colored citizens was held last night for the purpose of protesting against the recent decision of the U. S. Supreme Court on the Civil Rights Bill. Rev. W. Polk, pastor of the church in which the meeting was held, said in the course of his remarks, that, "this decision is an insult to our race (the colored). I have been a good Republican, but now I believe we should give allegiance to the party which will give us our rights, even if it runs the Devil or Ben Butler on its ticket."

BILLIARDS.

CHICAGO, Oct. 25.—A game of cushion carom billiards for the championship and \$500 a side, was played last night at Central Music Hall, between Wm. Sexton and Geo. F. Slosson, 150 persons being in attendance. Mr. Haunahan of Chicago, was the referee. The game for the greater part was slow and tedious, Slosson taking the lead at starting and keeping it to the end. In the 139th inning Sexton, who had gradually narrowed the gap of 101 points, put in a plucky run of 30 and was then within reaching distance. Slosson was visibly unnerved by the unexpected danger of losing when victory seemed secure and Sexton got another chance, but when he had made 8 points he dislodged his cue tip and had to take another. This circumstance depressed him greatly and he ended at 13 a run which promised to give him the game. Slosson then took courage and in the 141st inning made two points, enough to give him the cushion carom championship.

MISCELLANEOUS.

GREENSBORO, N. C., Oct. 25.—Three hundred children have died from dyptheria in this section recently.

ST. LOUIS, Oct. 25.—A special to the Post Dispatch from Walnutridge, Ark., says an attempt was made to rob the North bound express train on the Iron Mountain Railroad last night about 10 o'clock between Oken and Delaplaine, fifteen miles north of this place. Fortunately the express train was late and the local freight train was running on time of express. The train was signaled by three lanterns and when it stopped was boarded by a party of six men, all heavily armed. After a few questions they found they had stopped the wrong train and passed into the woods with many curses but without molesting anybody. The Conductor of the local train telegraphed to roadmaster Griffin, of this place, who summoned a posse of citizens headed by Jno. Rhea and accompanied by United States Marshal O. K. Wheeler. The posse went north on the express eager for a fight with the robbers but no further attempt was made to rob the train. The robbers were all large men from 30 to 40 years old and wore heavy overcoats and carried lanterns. They were apparently well organized and deemed to know their business. Every effort is being made to capture them.

"Oh, my darling," exclaims an enraptured lover, "I am jealous of the past. You surely must have loved some one. Tell me his name." "You are asking me for a catalogue," replies the fair but giddy creature; "do you want an illustrated one?"
