HELP FOR THE WEAK, NERVOUS AND DEBILITATED.
DR. HASBROUCK'S ELECTRIC BELTS

The afflicted can now be restored to perfect health and bodily energy without the use of medicine of any kind, and without the slightest inconvenience to the patient's habits or daily occupation.

Reader, are you afflicted? And you wish to regain your health, strength and energy of former years? Do any of the following symptoms meet your distressed condition? Do you feel nervous, debilitated, fretful, timid, and lack the power of will and action? Are your kidneys, stomach or bowels in a disordered condition? Do you suffer from rheumatism, neuralgia, or aches and pains? Have you been indiscreet in early years, and find yourself harassed with a multitude of gloomy symptoms? Are you subject to loss of memory, have spells of fainting, fullness of blood in the head, feel listless, mooping, unfit for business or pleasure, and subject to fits of melancholy? Are you subject to any of the following symptoms: restless nights, nightmare palpitation of the heart, bashfulness, confusion of ideas, dizziness in the head, dimness of sight, &c. Thousands of young men, the middle-aged, and even the old suffer from nervous debility. — Thousands of females, too, are broken down in health and spirits from disorders peculiar to their sex, and who, from false modesty or neglect prolong their sufferings. Why then further neglect of a subject of such vital importance when the remedy can be so easily procured? **DR. HASBROUCK'S**

The White
—IS—

THE EASIEST SELLING, THE BEST SATISFYING Sewing Machine

Its Introduction and World-renowned reputation was the death-blow to high-priced machines.
THERE ARE NO SECOND-HAND WHITE MACHINES IN THE MARKET.
This is a very important matter, as it is a well-known and undisputed fact that many of the so-called first-class machines which are offered so cheap, now-a-days are those that have been re-possessed (that is, taken back from customers after use) and resuit and put upon the market as new.
THE WHITE IS THE PEER OF ANY SEWING MACHINE NOW IN THE MARKET.
IT IS MUCH LARGER THAN THE FAMILY MACHINES OF THE SINGER, HOWE AND WOOD.
IT COSTS MORE TO MANUFACTURE THAN EITHER OF THE AFORESAID MACHINES.
ITS CONSTRUCTION IS SIMPLE, POSITIVE AND DURABLE.
ITS WORKMANSHIP IS UNSURPASSED.
Do not Buy any other before trying the WHITE.
