### May Die of a Knife Thrust.

At Sulphur Monday afternoon Polite Sonier severely stabbed Solomon Bartley in the lower part of the back with a pocket knife, the blade of which was 3 1/2 inches long.

Both are colored and the stabbing was the outcome of a difficulty which the two negroes became engaged in while betting on the Creole race. Bartley refused to pay Sonier when he had lost and this so angered Sonier that he drew his knife and stabbed Bartley in the back.

Bartley sank to the ground and Dr. S. M. Lyons was called and attended to him. Deputy Sheriff Jerry Caruther of Ninton, arrested Sonier and brought him to town. He is now in jail. Today Bartley was reported to be in a dangerous condition.—Press.

### Mayor's Court.

Two recreants were made to face the mayor this morning on the charge of drunkenness.

The first was Wm. Cole, who plead guilty and was let off with the usual \$5 and costs.

Pat Connelly, an old offender, was told by the mayor that he would be allowed just two hours to get out of town. It seems he had been brought up a few days ago and had been released by promising to return to the fields, where he has a position as driller.

The El Cid Cigar is made from tobacco grown on the island of Cuba; all hand made, at Mitchell & Embich.

Good things come in small packages. That's why the El Cid Cigar is so popular, at Mitchell & Embich.
