

# A Good Habit

The habit of buying of Hebert & Andrus, the Southside general merchants, is a good habit to get into. They sell everything usually kept in a first-class general store, and on account of their large trade they are constantly receiving new goods, which you will always find fresh and clean. Since doubling the size of their building they have received a new stock of UP-TO-DATE Dry Goods, Ladies' and Gents' Furnishings, Shoes and Notions. Our GROCERY and PROVISION DEPARTMENT is filled with good things to eat.

## FOR MALARIA, CHILLS AND FEVER.

The Best Prescription Is Grove's Tasteless Chill Tonic.

The Formula Is Plainly Printed on Every Bottle. So That the People May Know Just What They Are Taking.

Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the original and that all other so-called "Tasteless" chill tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c
